

DIRECTIONS FOR USE

READ THE LABEL CAREFULLY. DO NOT EXCEED DOSAGE. DO NOT USE INSIDE THE HOME. Use only as specified on this label.

CHINCH BUGS, SOD WEBWORMS, EARWIGS, CUTWORMS, AND ANTS IN TURF AND ORNAMENTAL LAWNS: Mix 1½ fl. ozs. (3 tbs.) in 20 gallons rated sprayer. Dilute to mark with water. Apply uniformly to 1,000 sq. ft. area, or 4 tsp. per 15 gallons for 500 sq. ft.

Measure area to be treated. For best results lawn should be well watered before spraying. Treat as soon as insects appear. Repeat only if needed. Thorough wetting is necessary for chinch-bug control.

TO PREVENT ANTS, CRICKETS, EARWIGS, SOWBUGS, BROWN DOG TICKS, AND WATERBUGS (woods roaches) FROM INFESTING BUILDING: Spray a band 6 to 10 feet wide around the building including 2 feet up the foundation. Use same dosage and dilution as recommended above.

MEALYBUGS, CUTWORMS, AND LEAFHOPPERS ON ORNAMENTAL PLANTS: Mix 6½ tbs. in 10 gallons of water. Use a suitable hand sprayer and apply uniformly, but not to the point of excessive runoff. Treat when pests appear and repeat at 7 to 10 day intervals if needed. Mosquitoes resting in sprayed shrubbery will be killed for several days.

NOTE: Do not use on azaleas, camellias, poinsettias, rose bushes, or variegated ivy because of possible injury to these plants.

WARNING—Keep children and pets off treated areas until spray has completely dried.

EPA REG. NO. 33955-537-AA / EPA EST. NO. 2217-KS-1

CONTROLS: CHINCH BUGS, SOD WEBWORMS, CUTWORMS, EARWIGS AND GRASSHOPPERS IN HOME LAWNS AND OTHER ORNAMENTAL TURF AREAS.

ACTIVE INGREDIENTS:

Chlorpyrifos (O, O-diethyl O-13,5,6-trichloro-2-pyridyl) phosphorothioate)	22.4%
Xylene	44.1%
INERT INGREDIENTS	33.5%

TOTAL100.0%

*DURSBAN™—Trademark of The Dow Chemical Company, U.S. Patent No. 3,244,586

WARNING: KEEP OUT OF REACH OF CHILDREN. See Side Panels for Additional Cautions.

NET CONTENTS ONE PINT

WARNING: Keep out of reach of children. Do not take internally. May be fatal if swallowed. May be absorbed through the skin. Do not get in eyes or on skin. Flush contaminated eyes with plenty of water and get medical attention. Wash thoroughly after handling. Do not smoke while using. Wash contaminated clothing before re-use. Avoid breathing spray mist of vapors. Do not spray vegetable gardens or other plants used for food purposes. Keep away from food, feedstuffs, and domestic water supplies. Keep container closed. Handle in a ventilated area.

NOTE TO PHYSICIAN—Chlorpyrifos is a cholinesterase inhibitor. Treat symptomatically. Atropine is antidotal.

ENVIRONMENTAL WARNINGS: This product is toxic to fish, birds, and other wildlife. Keep out of lakes, streams, and ponds. Do not apply where runoff is likely to occur. Do not apply when weather conditions favor drift from areas treated. Do not contaminate water by cleaning of equipment, or disposal of wastes. Apply this product only as specified on this label.

This product is highly toxic to bees. Spray in late afternoon when bees are least active. Protective information may be obtained from your Cooperative Agricultural Extension Service.

DO NOT USE, POUR, SPILL, OR STORE NEAR HEAT OR OPEN FLAME!

CONTAINER AND WASTE DISPOSAL: Do not reuse empty container. Discard in a safe place by burying in a location away from domestic water supplies. Bury unused chemical and spray mixture in same manner as container.
