KEEP OUT OF REACH OF CHILDREN

Under the rederat the ecticity. Fungicide, and Rodentic de Act. amended, for the pesticide registered under EPA Reg. No

DANGER!

33980-1

## STATEMENT OF PRACTICAL TREATMENT

If swallowed - Drink large quantities of water. DO NOT induce vomiting. Avoid alcohol. Never give anything by mouth to an unconcious person. Call a physician or poison control center immediately. If in eyes - Hold eylids open and flush with a steady, gentle stream of water for 15 minutes. Get medical attention.

If on skin - Brush off excess chemical and wash with plenty of soap and water. If irritation persists, get medical attention.

If inhaled: Remove victim to fresh air. If not breathing, give artificial respiration, preferably mouth-tomouth. Get medical attention.

Note to Physician: Probable mucosal damage may contraindicate the use of gastric lavage.

# SEE SIDE PANEL FOR ADDITIONAL PRECAUTIONARY STATEMENTS

# PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS DANGER

CORROSIVE: Causes irreversible eve damage and skin burns. May be harmful if absorbed through skin. May be fatal if inhaled. Do not breath dust or spray mist. Irritating to nose and throat. Harmful if swallowed. Do not get in eyes, on skin, or on clothing. Wear goggles or face shield, protective clothing, and rubber gloves when handling this product. Wash thoroughly with soap and water after handling and before eating, drinking or using tobacco. Remove contaminated clothing and wash before reuse.

#### **ENVIRONMENTAL HAZARDS**

This pesticide is toxic to fish and aquatic organisms. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a National Polle\* Discharge Elimination System (NPDES) permit and the permitting authority has fing prior to discharge. Do not discharge effluent containing this product to sewer been notified in systems without previously notifying the local sewage treatment plant authority. For guidance contact vour State Water board or Regional Office of EPA.

# PHYSICAL AND CHEMICAL HAZARDS

Strong oxidizing agent. Mix only with water. Use clean dry utensils. Do not add this product to any dispensing device containing remanats of any other product. Such use may cause a violent reaction leading to fire or explosion. Contamination with moisture, organic matter, or other chemicals may start a chemical reaction with generation of heat, liberation of hazardous gases, and possible generation of fire and explosion. In case of contamination or decomposition, do not reseal container. If possible isolate each container in open air or well-ventilated area. flood with large volumes of water if necessary.

#### **DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Formulators using this product are responsible for obtaining EPA registration of their formulated products. For formulation into end-use products intended for use in swiming pools, spas and hot tubs, commercial and industrial water cooling towers and evaporative condensers, for sanitization of food and non-food contact surfaces, oil recovery drilling muds and packer fluids, secondary oil recovery systems, bathroom sanitization, air washer systems, brewery pasteurizer water, hatchery equipment and poultry houses, farm premises and equipment, hopital premises and equipment, laundry sanitizers, and leather and leather products.

#### STORAGE AND DISPOSAL

Storage: Keep product dry in tightly closed container when not in use. Store in a cool, dry, well-ventilated area away from heat or open flame. In case of decomposition, isolate container, if possible, and flood with large amounts of water to dissolve material before discarding.

Pesticide Disposal: Do not contaminate water, food or feed by storage or disposal. Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

Container disposal: Completely empty liner by shaking and tapping sides and bottom to loosed clinging particles. Empty residue into application equipment. Then dispose of liner in a sanitary landfill or by incineration if allowed by State and local authorities. If drum is contaminated and cannot be reused, dispose of in the same manner.

# Notice to Buyer

Seller warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated on the label when used in accordance with directions under normal conditions of use. This warranty does not extend to the use of this product contrary to label instructions, or under abnormal use conditions or under conditions not reasonably foreseeable to the seller, and buyer assumes the risk of any such use. Seller disclaims all other warranties, expressed or implied, including any warranty of FITNESS of MERCHANTABILITY.
