Gentlemen:

Subject: Neo-Chlor 60  
EPA Registration No. 33980-2  
Submission of April 30, 1985  
(Delete a typographical error)

The amendment referred to above, submitted in connection with registration under FIFRA, is acceptable provided that you:

1. Submit five copies of your final printed labeling before you release the product for shipment. Refer to the A-79 Enclosure for a further description of final printed labeling.

If this condition is not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product bearing the amended labeling constitutes acceptance of this condition.

A stamped copy of the labeling is enclosed for your records.

Sincerely,

A. E. Castillo  
Product Manager #32  
Disinfectants Branch  
Registration Division (TS-767c)

**PRECAUTIONARY STATEMENTS**

**HAZARDS TO HUMANS**

**DANGER**

May be fatal if swallowed. Avoid breathing dust. Irritating to nose and throat. Highly corrosive. Do not get in eyes, on skin or on clothing. Causes eye and skin damage. When handling, wear goggles or face shield and rubber gloves. Wash thoroughly with soap and water after handling and before eating or smoking. Remove contaminated clothing and wash before reuse.

**ENVIRONMENTAL HAZARDS**

This product is toxic to fish. Do not discharge into lakes, streams, ponds or public waters unless in accordance with an NPDES permit. For guidance contact your Regional Office of the Environmental Protection Agency.

**PHYSICAL AND CHEMICAL HAZARDS**

Strong oxidizing agent. Mix only with water. Use clean dry utensils. Contamination with moisture, organic matter, or other chemicals may start a chemical reaction with generation of heat, liberation of hazardous gases, and possible generation of fire and explosion. In case of contamination or decomposition, do not reseat container. If possible isolate each container in open air or well-ventilated area. Flood with large volumes of water if necessary.

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

This pesticide may be used only for the formulation of disinfectants, algicides or sanitizers. Repackers or formulators using this product are responsible for obtaining EPA registrations for their formulated product.

## STORAGE AND DISPOSAL

**Prohibition:** Do not contaminate water, food or feed by storage or disposal or cleaning of equipment.

**Storage:** Keep product dry in tightly closed container when not in use. Store in a cool, dry, well-ventilated area away from heat or open flame. In case of decomposition, isolate container, if possible, and flood with large amounts of water to dissolve material before discarding.

**Pesticide disposal:** Pesticide or rinseate that cannot be used according to label instructions must be disposed of according to applicable Federal, state or local procedures.

**Container disposal:** Completely empty liner by shaking and tapping sides and bottom to loosen clinging particles. Empty residue into application equipment. Then dispose of liner in a sanitary landfill or by incineration if allowed by State and local authorities. If drum is contaminated and cannot be reused, dispose of in the same manner.

## Notice to Buyer

Seller warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated on the label when used in accordance with directions under normal conditions of use. This warranty does not extend to the use of this product contrary to label instructions, or under abnormal use conditions or under conditions not reasonably foreseeable to the seller, and buyer assumes the risk of any such use. Seller disclaims all other warranties, expressed or implied, including any warranty of FITNESS or MERCHANTABILITY.
