## DIRECTIONS FOR USE

### GENERAL CLASSIFICATION

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

**Use By Experienced Personnel:** For repackaging as a disinfectant or algacide in swimming pools. For bulk shipment use by experienced personnel only as a disinfectant and algacide in municipal water supplies and sewage and waste treatment plants. (NOTE: This product degrades with age. Use a chlorine test kit and increase dosage as necessary to obtain the required level of chlorine.)

**STORAGE AND DISPOSAL:** Store in a cool dry area away from direct sunlight. In case of spill, flood area with large quantities of water. Rinse empty containers thoroughly with water and either return to manufacturer or discard by placing in trash collection or by burying in an approved landfill. Product or rinseate that cannot be used should be diluted with water and disposed of in a sanitary sewer. Do not contaminate food or feed by storage or disposal, or by cleaning of equipment.
