

DAY-GLO™ Refillable Flea Tag

PROTECT YOUR DOG WITH
DAY-GLO™ Refillable

**Flea
Tag**

and Two Insecticide Refills

This DAY-GLO™ FLEA TAG (or pendant) allows you to use inexpensive insecticide refills or tablets as required. Don't waste money by buying a new tag when only new insecticide tablets are needed. Each of the enclosed refills provide a total of three months' protection. Two refills are enclosed.

CONTENTS: One refillable FLEA TAG and two insecticide refill tablets — each having a net weight of 0.2 oz.

Active ingredients of each tablet:

2, 2-dichlorovinyl dimethyl phosphate	19.2%*
Related Compounds	0.8%*
Inert Ingredients	80.0%

*Equivalent to 20% VAPONA Total 100.0%

CAUTION: Do not allow children to play with tag. Keep refills out of the reach of children. See back panel for caution statements.

EPA REG. NO. 34283-1

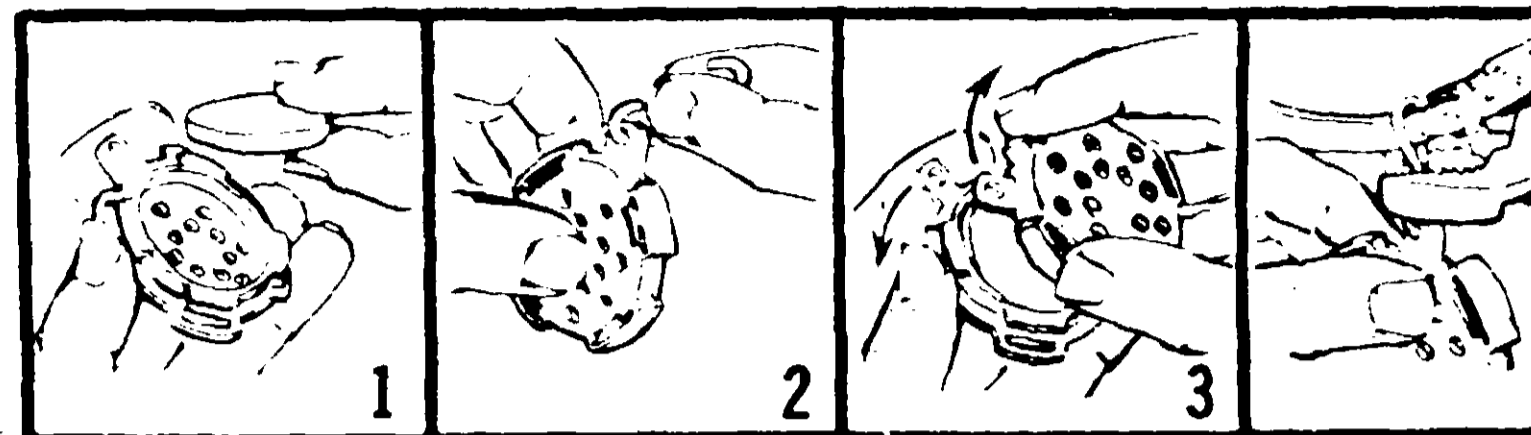

Additional refills obtainable from your local dealer or from
L. F. OLSON & ASSOCIATES, Box 89, Tustin, CA 92680

ACCEPTED

MAY 22 1975

Under the Federal Insecticide,
Fungicide, and Rodenticide Act,
as amended, for the pesticide
registered under
EPA Reg. No.

DAY-GLO™ FLEA TAG
NEED NEVER BE REPLACED

Directions for Use: Step 1. Remove refill tablet from foil package taking care to handle any more than necessary and insert tablet in tag as shown. Step 2. Press tabs on the tag parts together while pressing the parts toward one another. Step 3. Press tabs on the tag parts together while pressing the parts toward one another. Step 4. Hook tag to dog collar and pinch the hook together. When replacing a previously used refill tablet wrap the used tablet secured in newspaper and dispose of in Municipal trash.

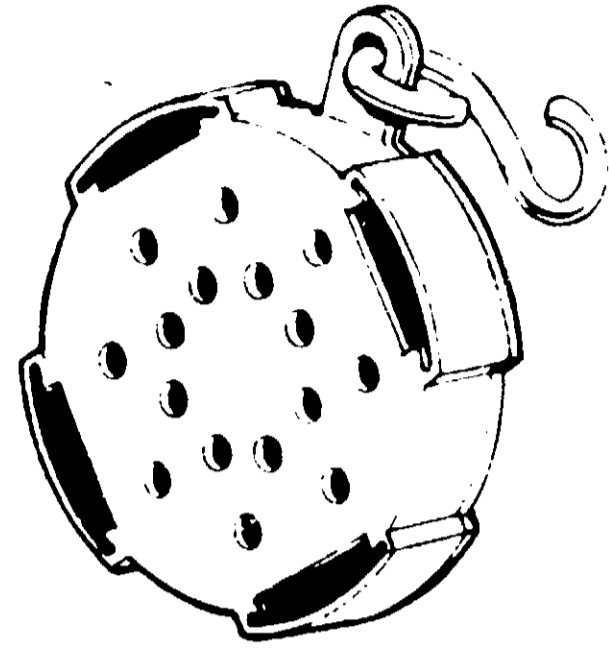

Flea kill begins at once and will continue for ninety days while the tag is worn. For continuous protection disassemble the tag using the reverse of the assembly step and replace insecticide tablet every 90 days. For dogs over 50 pounds use two tags.

CAUTION: Do not allow children to play with the tag. Keep refills out of the reach of children. Do not open a foil insecticide refill package until ready to use. The tablets are intended for use only as insecticide generators (U.S. Pats. 2,951,311; 3,116,201; and 3,318,769) and are not to be taken internally by man or animal. Do not use tag on sick or convalescing dogs. Do not use tag on cats, whippets or greyhounds. Do not use other pesticides on dogs while tag is worn. Remove the tag if any allergic reactions are observed. Some animals may be sensitive to the insecticide. Do not use tag near a dog's mouth; harmful if swallowed. After prolonged storage, a small amount of liquid may form on the tag. Do not get liquid in eyes. Wash hands thoroughly with soap and water after handling refill tag.

NOTICE OF WARRANTY: No warranty is made of merchantability, fitness for any purpose, or otherwise, express or implied concerning the refillable flea tag or the uses of either of these which extend beyond the use of these products under normal conditions in accordance with statements made on this label.
