

U.S. ENVIRONMENTAL PROTECTION AGENCY

Office of Pesticide Programs
Registration Division (7505P)
1200 Pennsylvania Ave., N.W.
Washington, D.C. 20460

EPA Reg. Number:

34370-2

Date of Issuance:

10/5/16

NOTICE OF PESTICIDE:

☒ Registration
☐ Reregistration
(under FIFRA, as amended)

Term of Issuance:

Unconditional

Name of Pesticide Product:

Firebug Insect Repellent Spray

Name and Address of Registrant (include ZIP Code):

Ghona Sangha, Ph.D.
Agent for WeChem Inc.
5734 Susitna Dr.
Harahan. LA 70123

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is unconditionally registered in accordance with FIFRA section 3(c)(5) provided that you:

1. Submit and/or cite all data required for registration/reregistration/registration review of your product when the Agency requires all registrants of similar products to submit such data.

Signature of Approving Official:

Laura Bacon, Acting Product Manager 4
Invertebrate & Vertebrate Branch, Registration Division (7505P)

Date:

10/5/16

2. Make the following label changes before you release the product for shipment:
 - Revise the EPA Registration Number to read, "EPA Reg. No. 34370-2."
3. Submit one copy of the revised final printed label for the record before you release the product for shipment.

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6. Your release for shipment of the product constitutes acceptance of these conditions. A stamped copy of the label is enclosed for your records. Please also note that the record for this product currently contains the following CSFs:

- Basic CSF dated 06/23/2016
- Alternate CSF 1 dated 06/23/2016
- Alternate CSF 2 dated 06/23/2016

If you have any questions, please contact Jennifer Gaines at 703-305-5967 or via email at gaines.jennifer@epa.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "Laura N. Bacon", with a stylized flourish at the end.

Laura N. Bacon, Acting Product Manager 4
Invertebrate & Vertebrate Branch 1 (IVB1)

FLAMMABLE. Do not use or store near heat sources, sparks or open flame. [{container specific} Contents under pressure do not puncture or incinerate container.] [{container specific} Exposure to temperature above 130°F may cause bursting.] Do not smoke while applying.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Read and follow all directions and precautions on [this product label] {or} [all labels and packaging {where size requires peel-back}]. [Remove protective cap.] Hold [can] 4 to 6 inches from skin while spraying, keeping nozzle pointed away from face. Slightly moisten skin or clothing with a slow sweeping motion. Use just enough repellent to cover exposed skin and/or clothing. Do not use under clothing. Do not spray directly on face [or enclosed areas]. [Do not inhale.] Do not apply near eyes and mouth. Spray on hands first, and then apply sparingly to face, neck and around ears, avoiding your eyes. Do not apply over cuts, wounds, or irritated skin, and do not apply to excessively sunburned skin. Do not apply to

Rev. 10/5/16

children's hands. Do not allow children to handle this product. When using on children, apply to your own hands and then put it on the child. Excessive amounts or frequent reapplication is unnecessary. Avoid over-application of this product. Do not exceed more than 2 applications per day. Apply sparingly around ears. After returning indoors, wash treated skin with soap and water [and double-check yourself and other family members for ticks.] Wash treated clothing before wearing it again. Use of this product may cause skin reactions in rare cases. If you suspect a reaction to this product, discontinue use, wash treated skin and call your Poison Control Center. If you go to a doctor, take this product with you.
