This flea and tick shampoo is a rich formulation and only small quantities are needed for excellent results. This formulation leaves the coat more manageable.

Directions for USE:

To kill fleas & ticks: Wet the dog thoroughly with water and apply the shampoo. Carefully work the liquid into the hair. Allow the shampoo to penetrate the coat by leaving on the dog for five minutes. Rinse the dog thoroughly and towel dry. Comb and brush until completely dry. Repeat treatment as necessary.

CAUTION: KEEP OUT OF REACH OF CHILDREN. Do not swallow. Do not reuse container. Destroy container when empty.
