

DIRECTIONS FOR USE

Roaches, Ants, Waterbugs, Silverfish, Spiders, Crickets - Spray heavily on all areas around and under furniture, especially in the areas where these insects hide. Also spray under and around telephones and telegraph cabinets, utility meter, water faucets, etc. This is especially important in a kitchen. Repeat treatment as needed.

Carpet Beetles - Make liberal application to areas of the floor and furniture. Spray on the carpet, especially in areas where carpet is worn or damaged. Repeat treatment as needed. Do not spray on the face of furniture. Repeat treatment on spots, stains, and discolored areas of carpet as needed.

Brown Dog Ticks - This is a spray-on tick repellent for dogs and cats. It is used to prevent ticks from biting the animal. Applications should be made to the animal's body, especially to the neck, ears, and under the tail. Repeat treatment as needed.

Flies, Mosquitoes, Wasps, and Flying Moths, Outdoors - This is a spray-on insecticide for use outdoors. It is used to kill flies, mosquitoes, wasps, and flying moths. Applications should be made to the areas where these insects are most likely to be found. Repeat treatment as needed.

Flies, Chiggers, Ants, and Brown Dog Ticks, Outdoors - This is a spray-on insecticide for use outdoors. It is used to kill flies, chiggers, ants, and brown dog ticks. Applications should be made to the areas where these insects are most likely to be found. Repeat treatment as needed.

CAUTION - Keep out of reach of children. Do not use in areas where food is prepared or stored. Do not use in areas where food is eaten. Do not use in areas where food is stored. Do not use in areas where food is stored.

Do not use in areas where food is prepared or stored. Do not use in areas where food is eaten. Do not use in areas where food is stored. Do not use in areas where food is stored.

Do not use in areas where food is prepared or stored. Do not use in areas where food is eaten. Do not use in areas where food is stored. Do not use in areas where food is stored.
