

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS**
DANGER

Causes eye and skin irritation. Harmful if swallowed, inhaled or absorbed through skin. Corrosive to eyes. Causes eye damage. Do not get in eyes, on skin or on clothing. Wear goggles or face shield and rubber gloves when handling. Wash with soap and water after handling. Avoid breathing dust. Use with adequate ventilation. Do not contaminate food or foodstuff.

STATEMENT OF PRACTICAL TREATMENT

In Case of Eye Contact: Immediately flush eyes with plenty of water for at least 15 minutes. Call a physician.

In Case of Skin Contact: Wash skin with soap and warm water.

See Side Panel for Additional Precautionary Statements

ENVIRONMENTAL HAZARDS

This product is toxic to fish. Do not apply to water. Do not contaminate water by cleaning of equipment or disposal of waste. **NOTE TO USER:** Federal Government and most states have seed laws and regulations requiring an appropriate caution statement be affixed to bags containing treated seed such as "Treated Seed - Do Not use for food or feed."

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

STORAGE AND DISPOSAL

PROHIBITIONS: Do not contaminate water, food, or feed by storage or disposal. Do not store under conditions which might adversely affect the container or its ability to function properly. Such conditions include, but are not limited to, positioning of the container in storage, storage temperature, potential for crushing or damage due to stacking, and penetration of moisture.

STORAGE: Store in safe manner. Store in original container only. Store in cool, dry place. Reduce stacking height where local conditions, such as humidity or pallet overhang, can effect package strength. Personnel should use clothing and equipment consistent with good pesticide handling.

PESTICIDE DISPOSAL: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL: Completely empty bag into application equipment. Then dispose of empty bag in a sanitary landfill or by incineration, or, if allowed by State and local authorities, by burning. If burned, stay out of smoke.

POTATO SEED PIECE TREATMENT—To control Brown Eye, Damping Off, Seed Decay (Fusarium), Verticillium Wilt: Apply sufficient amount of CAPTAN 5 DUST to provide thorough coverage. Use 1 to 2 pounds of this product per bushel of cut seed. Whole or 1-drop seed will need less material. Depending on the number of cuts made in the seed piece, the amount of dust used will vary as a result of the number of surface areas exposed for treatment. CAPTAN 5 DUST will NOT protect against fungal inoculum already within the tuber or bacterial diseases. Dust seed pieces before planting, but pieces should be treated within 6 hours of cutting. If planting is delayed more than 1 or 2 days, treated pieces should be stored 2 days in open crates before bagging.

CAUTION: Tuber damage and/or decay may occur on sandy soils under moist soil conditions and higher than normal soil temperatures. Do not use if these conditions can occur or if there has been any past history of seed piece decay due to this problem.

This product will not control bacterial soft rot.

Not for use in Jefferson County, Idaho.

DO NOT USE TREATED SEED FOR FEED OR FOOD

NOTICE

DISCLAIMER—The label instructions for the use of this product reflect the opinion of experts based on field use and tests. The directions are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks inherently associated with use of this product. Crop injury, ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or the manner of use or application all of which are beyond the control of Platte Chemical Company. All such risks shall be assumed by the user. Platte Chemical Company warrants only that the material contained herein conforms to the chemical description on the label and is reasonably fit for the use herein described when used in accordance with the directions for use, subject to the risk referred to above. Any damages arising from a breach of this warranty shall be limited to direct damages and shall not include consequential commercial damages such as loss of profits or values or any other special or indirect damages. Platte Chemical Company makes no other express or implied warranty, including any other express or implied warranty of FITNESS or of MERCHANTABILITY.
