

**PRECAUTIONARY
STATEMENTS
HAZARDS TO HUMANS
AND DOMESTIC ANIMALS
DANGER**

Caution: Avoid contact with eyes, damage to or irritation of eyes, or skin, or clothing. Wash thoroughly with soap and water immediately when handling. Harmful to fish and aquatic life.

ENVIRONMENTAL HAZARDS

Do not allow to get into water. Do not apply when weather conditions favor drift away from target area. Do not use full rate when cleaning up or removal of spilled wastes. Do not allow to get into streams or other waters.

**STATEMENT OF PRACTICAL TREATMENT
IF IN EYES**

Flush eyes with water for 15 minutes. Remove contact lenses if worn with contact. Wash thoroughly with soap and water.

IF ON SKIN Wash immediately with soap and water. Remove clothing if contaminated. Wash thoroughly with soap and water.

IF SWALLOWED Do not induce vomiting. Drink water. Do not eat or drink until advised by a physician.

IF INHALED Remove to fresh air. If breathing is difficult, seek medical attention.

DIRECTIONS FOR USE

Use according to label. Do not use this product on any non-target plants without testing.

STORAGE AND DISPOSAL

PROHIBITIONS Do not contaminate water. Do not feed by storage or disposal. Open dumping is prohibited. Do not reuse empty container. Do not store under conditions which might adversely affect the contents. Return or its ability to function properly.

STORAGE KEEP FROM FREEZING. Store in safe manner. Store in original container only. Keep container tightly closed when not in use. Freezing may damage contents. Do not use after the expiration date. Do not use if you are using other pesticides. Do not use if you are using other pesticides.

STORAGE AND DISPOSAL, cont'd.

PESTICIDE DISPOSAL: Pesticide wastes are toxic. Improper disposal of excess pesticide spray mixture or residue is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL

Metal: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities.

Plastic: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or incineration, or if allowed by state and local authorities, by burning. If burned, stay out of smoke.

USE PRECAUTIONS

Avoid contact of spray mist to vegetables, flowers, ornamental shrubs, trees and other desirable plants. Do not pour spray solutions near these plants. Do not spray on wet surfaces. Do not spray on lawns or turf where desirable plants are present. Use only lawn type systems. Do not spray late evening to avoid drift. Use only spray nozzles. Avoid the mist. Do not spray roots of ornamentals and trees. Do not exceed specified dosage for any area. Be particularly careful with the application of trees and other ornamental species. Do not apply to newly seeded grasses until well established. Do not apply when air temperature exceeds 60° F. Seed can be killed within 3 to 4 weeks after application at recommended rate. After using this product, clean sprayer with soap or detergent and water, and rinse thoroughly before applying other pesticides. Failure to observe the above precautions may result in injury.
