**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS &
DOMESTIC ANIMALS
CAUTION**

Avoid contact with eyes. In case of contact, immediately flush eyes with fresh water for 15 minutes. Get medical attention if eye irritation persists. Keep children and pets away from treated area until spray has thoroughly dried. Avoid contamination of food.

ENVIRONMENTAL HAZARDS

Keep out of lakes, streams or ponds. Do not contaminate water by cleaning of equipment or disposal of wastes.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. READ ENTIRE LABEL AND USE STRICTLY IN ACCORDANCE WITH LABEL PRECAUTIONARY STATEMENTS AND DIRECTIONS.

STORAGE AND DISPOSAL

PROHIBITIONS: Open dumping is prohibited. Do not reuse empty container.

STORAGE: Do not store below temperature of 32°F. Store in safe manner. Store in original container only. Keep container tightly closed when not in use.

PESTICIDE DISPOSAL: Securely wrap original container in several layers of newspaper and discard in trash.

CONTAINER DISPOSAL: Do not reuse container (bottle, can, jar, etc.) unless thoroughly cleaned before reusing in trash.

GENERAL: Does Complete Kill of Tough Annual and Perennial Grasses and Broadleaf Weeds in Flower Beds Around Trees and Shrubs in Lawns, Walks, Driveways, in Gravel or Bare Ground Much.

DEXOL SYSTEMIC WEED KILLER is formulated for "spot" application to individual weeds. The weed killer moves systematically through all parts of the plant, visible effects usually occur within 1 week on most weeds with complete kill in 2 to 4 weeks.

HOW TO USE: Use coarse sprays only for control of weeds listed on this label using backpack sprayers or hand trigger sprayers. Applications should be made on a spray-to-wet basis. Spray coverage should be uniform and complete. Do not spray to point of runoff.

IMPORTANT: DEXOL SYSTEMIC WEED KILLER is a contact herbicide that will kill all green plant tissue. Be careful when treating weeds not to spray surrounding desirable grasses or nearby plants as they will also be killed.

Also avoid spraying under conditions involving possible drift to desirable plants. Do not apply when rainfall is expected within 24 hours of application as weed control will be reduced. If spray accidentally contacts desirable plants, wash off immediately with water. Treated weeds in some cases can be reseeded 7 days after application.

NOTE: Spray solutions of this product should be stored and applied only in stainless steel, aluminum, fiber glass, plastic and plastic lined steel containers. DO NOT store or apply this product in galvanized steel or unlined steel except stainless steel containers or spray tanks. This product may react with such containers and tanks to produce hydrogen gas which may form a highly combustible gas mixture. This gas mixture could flash or explode, causing serious personal injury if ignited by open flame, lighted cigarette or other ignition source.
