50% MALATHION INSECT SPRAY

Read entire label. Use strictly in accordance with label cautions, warnings and directions.

50% Malathion Insect Spray gives control of many common garden insects. Spray thoroughly to cover both upper and lower leaf surfaces and all infested portions of plants. Do not store diluted spray. Make new dilution for every use. Application may be made with any type of garden sprayer.

NOTICE: Buyer assumes all responsibility for safety and use not in accordance with directions.

WARNING: DO NOT USE, POUR, SPILL OR STORE NEAR HEAT OR OPEN FLAME.

WARNING: Keep out of reach of children. May be fatal if swallowed. May be absorbed through the skin. Do not breathe spray mist. Avoid contact with skin, eyes and clothing. Wash thoroughly after handling. Avoid contamination of food and feedstuffs. Do not use on household pets or humans. Do not permit children or pets to go onto sprayed areas until spray has completely dried. Keep out of reach of domestic animals. Do not contaminate ornamental fishponds. Do not use on ferns. May injure foliage of certain varieties of apples and cherries.

This product is toxic to fish. Keep out of lakes, streams or ponds. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label. When container is empty wash thoroughly and destroy. Never reuse.

Highly toxic to bees. Severe losses may be expected if bees are present at treatment time or within a day thereafter.
