PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION

Harmful if swallowed, inhaled, or absorbed through the skin. Avoid breathing spray mist. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling and before eating or smoking.

If swallowed, call a physician immediately.

Note to Physician: Atropine is antidotal.

Do not apply to areas which will be contacted frequently by children and do not allow them in treated areas until surfaces are dry. Do not spray on skin or on animals. Cover or remove exposed foods. Avoid contamination of cooking utensils and food preparation surfaces. Do not use in edible product areas of food processing plants, restaurants, or other areas where food is commercially prepared or processed. Do not use in food serving areas while food is exposed. Do not remain in treated areas and ventilate the area after treatment is completed.

Remove pets, birds, cages and fish bowls from rooms being sprayed.

PHYSICAL OR CHEMICAL HAZARDS

EXTREMELY FLAMMABLE. Do not use or store near fire, sparks, or heated surfaces. Turn off pilot lights in gas appliances and unplug or turn off electrical equipment in the use area. After airing out phase is completed, relight pilot lights and reconnect electrical current. Do not smoke in the use area. Contents under pressure. Do not puncture or incinerate container. Exposure to temperature above 130°F may cause bursting. Incineration of container may cause explosion.

NOTE: Do not spray plastics or asphalt tile directly. To avoid staining, hold spray 3 feet from fabrics and painted surfaces.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

STORAGE AND DISPOSAL

STORAGE: Store in original container only, preferably in a locked area.

DISPCAL: Do not reuse empty container. Wrap container and put in trash collection.

FARM USES

MILKHOUSES & DAIRYROOMS: Spray windows, doors, ceilings as needed, but do not apply on foods and utensils.

BARN: Spray resting places such as windows, doorways, ceilings where flies and mosquitoes congregate. Spray ceilings and walls of animal pens to reduce fly breeding. Use Hopkins Fly-B-Gone on floors and window ledges for more complete control.

HOME USES

FLIES, MOSQUITOES, GNATS: Spray into four corners of room about 10 to 15 seconds per average size room (1,000 cu. ft.). Close windows and doors for about 10 to 15 minutes during treatment.

FLYING MOTHS, WASPS, HORNETS: 20 to 25 seconds per 1,000 cu. ft. Spray liberally into cracks of woodwork, walls, floors, ceilings or other breeding places.

ROACHES, ANTS, FLEAS, SILVERFISH: Spray liberally into cracks of woodwork, walls, floors, ceilings, or other breeding or hiding places. Thoroughly spray sleeping quarters of animal pets. Repeat as necessary. Do not apply for more than 1½ minutes per room at a given time.

BEDBUGS: Spray bed frame, springs, mattresses, tufts, seams and all cracks and hiding places about bedroom. Do not spray general surface of mattress. Air mattress completely dry, at least 4 hours, before reuse.

MOTH WORMS, CARPET BEETLES: Clean, air and brush clothing, rugs, carpets, fabrics. Spray thoroughly from 3 ft. distance, especially seams, folds, under collars and lapels, and cuffs. Clean and spray closets, drawers, chest and storage areas. Repeat every 30 days.

NOTICE OF WARRANTY

Seller and Manufacturer make no warranty of merchantability, fitness for any purpose, or otherwise, express or implied, concerning this product or its use, which extends beyond the statements on this label.
