PRECAUTIONARY STATEMENTS

DANGER

**HAZARDS TO HUMANS
AND DOMESTIC ANIMALS**

Causes substantial but temporary eye injury. Do not get in eyes or on clothing. Harmful if swallowed. May irritate skin. Wash thoroughly with soap and water after handling.

STATEMENT OF PRACTICAL

TREATMENT (First Aid):

If **CONTACT WITH EYES OCCURS**, Flush with water for at least 15 minutes. Get prompt medical attention.

If **CONTACT WITH SKIN OCCURS**, Wash with plenty of soap and water.

If **SWALLOWED**, Drink large amounts of water. **DO NOT** induce vomiting. Call a physician or poison control center immediately.

PHYSICAL AND CHEMICAL HAZARDS:

Strong oxidizer. Flush drains before and after use. Do not use or mix with other household chemicals such as toilet bowl cleaners, rust removers, acid or ammonia containing products. To do so will release hazardous gases. Prolonged contact with metal may cause pitting and discoloration. Do not apply this product through any irrigation system.

STORAGE AND DISPOSAL

Store bleach in a cool dry place. Do not reuse empty container; rinse container and put in trash collection.

One tablespoon of bleach in a gallon of water is equivalent to 200 parts per million (ppm) available chlorine.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.
