NET CONTENTS: 2 pounds

Manufactured by: QUALIS, INC.
Des Moines, IA 50316

EPA Reg. No. 34797-19
EPA EST. NO. 34797-1A-1

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Household Sewers and Connections:

Use Copper Sulfate Root Killer at night just before retiring. Two pounds (2), twice yearly, should provide adequate treatment. Pour granular crystals into the toilet bowl nearest to the sewer line using one-half (1/2) pound at a time and flushing each one-half (1/2) pound portion. Crystals can also be added through a clean-out plug and flushed with water.

Septic Tank Drain Fields:

In septic tank systems with absorption drain fields, add crystals to the distribution box or clean-out plug between septic tank and disposal field. Flush with water. **NOTE:** Do not apply into sink or tub drains.

STORAGE & DISPOSAL

Store in cool dry place. Do not reuse empty containers. Wrap containers and put in trash collection.
