UNITED STATES ENVIRONMENTAL PROTECTION AGENCY

29 JUL 1992

Mr. Bradley H. Rogers
Qualis, Incorporated
4600 Park Avenue
Des Moines, IA 50321

Dear Mr. Rogers:

Subject: Revised label: PR notice 91-4
Insect Repellent 100
EPA Reg. No. 34797-32
Submission: July 20, 1992

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, is acceptable. A stamped copy is enclosed for your records.

We understand that this repellent is not in production and commerce at this time. As new labels are prepared, change the front panel statement to read - Keep Out of Reach of Children.

Sincerely,

RFM
Richard F. Mountfort

DIRECTIONS FOR USE

"Read all directions before using this product."

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

TO APPLY TO FACE: Apply to palm of hand and spread on face and neck. Avoid contact with eyes and lips. Do not apply over cuts, wounds, or irritated skin. Do not apply to eyes and mouth and do not apply to the hands of young children. Do not spray directly on face. Use just enough repellent to cover exposed skin and or clothing. Do not use under clothing. Avoid overexposure. Frequent reapplication and saturation is unnecessary for effectiveness. After returning indoors, wash treated skin with soap and water. Wash treated clothing.

WORKS ON CLOTHING TOO: Apply to palm of hand; rub palms together and wipe on clothing. For ticks and chiggers apply as directed to pants cuffs, socks and around openings in outer clothing. Will not damage nylon, cotton and wool. Should not be used on acetate, rayon, spandex, dynel or verel fabrics. May damage furniture finishes, plastics, painted surfaces and watch crystals.

Use of this product may cause skin reactions in rare cases. If you suspect that you or your child is reacting to this product, wash treated skin and call your local poison control center. If you go to a doctor, take this repellent with you.
