34797-50

NET CONTENTS

1 Pint (16 fl. oz.)

EPA Reg. No.

34797-50

Dionne Prod.

Des Moines, IA 50321

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

ON PETS: Start spraying at the tail, moving the dispenser rapidly and making sure the animal's entire body is covered, including the legs and under body. While spraying, fluff the hair so that spray will penetrate to the skin. Make sure spray wets thoroughly. Do not spray into eyes or face. Repeat as necessary.

ON PREMISES: To control fleas and brown dog ticks, thoroughly spray infested areas, pet beds, resting quarters, nearby cracks and crevices, along and behind baseboards, mouldings, window and door frames, and localized areas of floor and floor covering. Fresh bedding should be placed in animal quarters following treatment. Concurrent treatment of animals is recommended. Repeat treatment as needed.

DISPOSAL

Do not reuse empty container. Wrap container and put in trash collection.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

Harmful if swallowed. Avoid inhalation of vapors. Avoid contact with skin. Wash contaminated skin promptly with soap and water. Avoid spraying food or foodstuffs. Remove birds and cover fish aquariums before spray.
