Attention: Said I. Raziq

Gentlemen:

Subject: MARKET-SAN 128
EPA Registration No. 34810-1
Your Submission Dated March 11, 1988
EPA Received Date March 14, 1988

The amendment referred to above, submitted in connection with the Label Improvement Program Notice for Antimicrobial Products Used as Food Contact Surface Sanitizers, is acceptable provided that you:

1. Make the labeling changes listed below before you release the product for shipment bearing the amended labeling.
 - a. Change the "First Aid Statement" to "Statement of Practical Treatment."
 - b. Delete tetrasodium ethylenediamine tetraacetate and sodium carbonate from the active ingredient list and place them in the inerts ingredients.
 - c. Change the "Directions" heading to "Directions For Use."
 - d. Under the "Directions For Use" heading, add the following:

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.
 - e. Delete the word "milk."
 - f. Revise your front panel referral statement to read:

See back panel for additional precautionary statements.

- g. Revise your disposal statement to read:

STORAGE AND DISPOSAL

PROHIBITIONS

Do not contaminate water, food, or feed by storage or disposal. Open dumping is prohibited.

PESTICIDE DISPOSAL

Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL

(For metal containers)

Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved State and local authorities.

(For plastic containers)

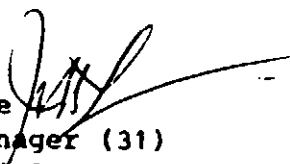

Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by State and local authorities, by burning. If burned stay out of smoke.

- h. The "STORAGE AND DISPOSAL" heading must be of the same type size as the child hazard warning statement.
2. Submit five (5) copies of your final printed labeling before you release the product for shipment.

Your release for shipment of the product bearing the amended labeling constitutes acceptance of these conditions.

If you have any questions, please contact Karen M. Leavy at (703) 557-3966.

Sincerely yours,

John H. Lee 
Product Manager (31)
Antimicrobial Program Branch
Registration Division (TS-767C)

FOR INDUSTRIAL AND INSTITUTIONAL USE
CONTENTS ONE U.S. GALLON

DIRECTIONS

Disinfecting

For all disinfection, including hospital
facilities, use MARKET-SAN 128 at a dilution of 1 ounce per
gallon of water.

*When used at a dilution of 1 ounce per
gallon of water on environmental inanimate surfaces, MARKET-SAN 128 is
effective against influenza A₂, Herpes Simplex Virus Type 1,
Type 2, and Vaccinia viruses.

For heavy soil, or organic matter, a pre-cleaning is
recommended.

For all [REDACTED] of previously cleaned
food contact items, limit the level of active ingredient to 100 ppm
(1.4 ounces per 5 gallons of hard** water).
For food contact surfaces NO POTABLE WATER IS
REQUIRED.

MARKET-SAN 128 solution may be applied with a spray
nozzle, brush, or by immersing equipment to be disinfected.

**MARKET-SAN 128 when used for [REDACTED]
water up to 250 ppm of hardness calculated as calcium carbonate.

MARKET-SAN 128

CONCENTRATED GERMICIDAL DETERGENT

MARKET-SAN 128 a concentrated germicidal detergent is specifically designed for hospital, health care and other institutional uses for the control of cross contamination from environmental surfaces.

MARKET-SAN 128 is used for cleaning, disinfecting, and deodorizing floors, walls and other hard surfaces. Ideally suited for use in Operating Rooms, Intensive Care, Nurseries, Emergency Areas, Food Service Areas, Rest Rooms.

When used as directed MARKET-SAN 128 is effective against Staphylococcus aureus, Salmonella choleraesuis, Pseudomonas aeruginosa, Pathogenic fungi, and lipophylic viruses.

When MARKET-SAN 128 is used for previously cleaned food processing equipment, or food contact items, at 200 ppm of active quaternaries, NO POTABLE WATER RINSE REQUIRED.

STORAGE AND DISPOSAL

Store at room temperature. Do not leave containers of this product open during storage. DO NOT contaminate water, food or feed by storage or disposal. Triple rinse (or equivalent). Then offer for recycling or recondition-

ing, or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities.

FIRST AID

In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes call a physician. Remove and wash all contaminated clothing before re-use. If swallowed drink egg whites, gelatin solution, or if these are not available, drink large quantities of water. Avoid alcohol. Call a physician.

DANGER

Keep Out of Reach of Children. Causes severe eye and skin damage. Do not get in eyes, on skin or on clothing. Harmful if swallowed. Avoid contamination of food. Protect eyes and skin when handling concentrate.

NOTE TO PHYSICIAN

Probable mucosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock, respiratory depression and convulsion may be needed.
