DIRECTIONS

DISINFECTING

For all disinfection, including hospital and health care facilities, use MARKET SAN-256 at a dilution of 1/2 ounce per gallon of water.

*When used at a dilution of 1/2 ounce per gallon of water on environmental inanimate surfaces, MARKET SAN-256 is effective against Influenza A2, Herpes Simplex, Adenovirus Type 5, and Vaccinia viruses.

For heavy soil, or organic matter, a pre-cleaning step is recommended.

SANITIZING

For all sanitization of previously cleaned food equipment or food contact items, limit the level of active quaternaries to 200 ppm (1 ounce per 5 gallons of hard** or soft water). Food contact surfaces must be rinsed with potable water before re-use.

MARKET SAN-256 solution may be applied with cloth, mop, or brush, or by immersing equipment to be sanitized.

**MARKET SAN-256 when used for sanitization is effective in water up to 600 ppm of hardness calculated as CaCO₃.

BACK PANEL

MARKET SAN-256

MARKET SAN-256 is a Super Concentrated Germicidal Detergent, specifically designed for hospitals, health care and other institutional uses for the control of cross-infection from environmental surfaces.

MARKET SAN-256 is used for cleaning, disinfecting, sanitizing and deodorizing floors, walls and other hard surfaces. Ideally suited for use in Operating Rooms, Intensive Care, Nurseries, Emergency Areas, Food Service Areas, Rest Rooms.

When used as directed MARKET SAN-256 is effective against Staphylococcus aureus, Salmonella choleraesuis, Pseudomonas aeruginosa, pathogenic fungi, and Lipophilic viruses.

When MARKET SAN-256 is used for sanitizing previously cleaned food processing equipment, or food contact items, at 200 ppm of active quaternaries, these food contact surfaces must be rinsed with potable water before re-use.

STORAGE & DISPOSAL

Triple rinse (or equivalent) and dispose in an incinerator or landfill approved for pesticide containers, or bury in a safe place. Do not contaminate water, food or feed by storage or disposal. Open dumping is prohibited. Do not reuse empty containers

WENFORD LABS, INC.

EPA ESTABLISHMENT NUMBER 34810-MO-1

DANGER

Keep Out of Reach of Children. Causes eye and skin damage. Do not get in eyes. Harmful or fatal if swallowed. Wear eye protection and rubber gloves when handling. Protect eyes and skin when handling.

FIRST AID

In case of contact, immediately flush with water for at least 15 minutes. Remove and wash all contaminated clothing. If swallowed, drink milk, egg whites, if these are not available, drink large amounts of water. Avoid alcohol. Call a physician.

NOTE TO PHYSICIAN

Probable mucosal damage may contraindicate lavage. Measures against circulatory depression and convulsion may be necessary.
