NOV 1 6 1988

Wexford Labs, Inc. 325 Leffingwell Avenue Kirkwood, MO 63122

Attention: Said I. Raziq

Gentlemen:

Subject: MARKET-SAN 256 EPA Registration No. 3481(-2 Your Submission Dated March 11, 1983 EPA Received Date March 14, 1988

The amendment referred to above, submitted in connection with the Label Improvement Program Notice for Antimicrobial Products Used as Food Contact Surface Sanitizers, is acceptable provided that you:

- 1. Make the labeling changes listed below before you release the product for shipment bearing the amended labeling.
  - a. Change the "First Aid Statement" to "Statement of Practical Treatment."
  - b. Delete tetrasodium ethylenediamine tetraacetate from the active ingredient list and place it in the inert ingredients.
  - c. Change the "Directions" heading to "Directions For Use."
  - d. Under the "Directions For Use" heading, add the following:

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

- c. Delete the word "milk."
- f. Revise your front panel referral statement to read:

See back panel for additional precautionary statements.

g. Revise your disposal statement to read: STORAGE AND DISPOSAL PROHIBITIONS Do not contaminate water, food, or feed by storage or disposal. Open dumping is prohibited. PESTICIDE DISPOSAL Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility. CONTAINER DISPOSAL (For metal containers) Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved State and local authorities. (For plastic containers) Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by State and local authorities, by burning.

- h. The "STORAGE AND DISPOSAL" heading must be of the same type size as the child hazard warning statement.
- 2. Submit five (5) copies of your final printed labeling before you release the product for shipment.

Your release for shipment of the product bearing the amended labeling constitutes acceptance of these conditions.

If burned stay out of smoke.

If you have any questions, please contact Karen N. Leavy at (703) 557-3966.

Sincerely yours,

John H. Lee Product Manager (31) Antimicrobial Program Branch Registration Division (TS-767C)
