NAME OF PESTICIDE PRODUCT NON-CHLOR		

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

Wexford Labs, Inc.
 325 Leffingwell
 Kirkwood, MO 63122

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

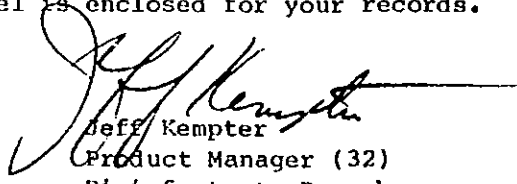

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA section 3(c)(7)(A) provided that you:

1. Submit/cite all data required for registration/reregistration of your product under FIFRA section 3(c)(5) when the Agency requires all registrants of similar products to submit such data.
2. Add the phrase "EPA Registration No. 34810-19" to your label before you release the product for shipment.
3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

NON-CHLOR
Concentrated Germicidal Detergent

NON-CHLOR is used for cleaning, disinfecting and deodorizing floors, walls, and other hard surfaces. Especially suited for use in Operating Rooms, Intensive Care, Nurseries, Emergency Areas, Patient Rooms and Rest Rooms. When used as directed NON-CHLOR is effective against gram negative and gram positive microorganisms such as Staphylococcus aureus, Salmonella choleraesuis, Pseudomonas aeruginosa, Pathogenic fungi, Mycobacterium tuberculosis and *Lipophilic viruses, such as Influenza A₃(H3N2-Hong Kong), Herpes Simplex Type 2, and Vaccinia, in the presence of A.O.A.C. 400 ppm hard water and 5% serum.

DIRECTIONS FOR USE: It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

For all disinfection of hard surfaces in hospitals, health care facilities, schools and nursing homes, such as floors, walls, bathroom fixtures, shower stalls, and surgical instruments, use NON-CHLOR at 1 ounce per gallon of water. NON-CHLOR use-dilution may be applied with a cloth, mop or brush on surfaces such as stainless steel, chrome, glass, vinyl, ceramic, and terrazzo. Wet all surfaces thoroughly for at least ten minutes. Use-dilution of NON-CHLOR should be changed daily or sooner if it becomes over diluted or soiled.

at 20°C.

NON-CHLOR is effective against Influenza A³ Hong Kong, Herpes Simplex Type 2, and Vaccinia viruses in 400 ppm hard water and 5% organic soil for inanimate hard surfaces. NON-CHLOR is a synthetic germicidal detergent with broad spectrum kill of both gram positive and gram negative microorganisms. Contains biodegradable detergents and is phosphate free. DO NOT MIX WITH OTHER CLEANERS. For gross filth or heavy soil a pre-cleaning step is required.

DANGER KEEP OUT OF REACH OF CHILDREN. Corrosive, causes eye damage and skin irritation. Avoid breathing spray mist. Do not get in eyes, on skin or on clothing. Wear safety glasses when handling concentrate. Harmful if swallowed. Avoid contamination of food.

STORAGE and DISPOSAL.

Do not contaminate water, food, or feed by storage or disposal. Open dumping is prohibited. Do not reuse empty container. Triple rinse (or equivalent), then offer for recycling or reconditioning, or dispose of in a sanitary landfill or by incineration, if allowed by state and local authorities. Consult federal, state or local disposal authorities for approved alternative procedure. Pesticide wastes are acutely hazardous. Improper disposal of excess pesticides, spray mixture or rinsate is a violation of Federal Law.

FIRST AID

In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes call a physician. Remove and wash contaminated clothing before reuse. If swallowed, drink promptly a large quantity of milk, egg whites, gelatin solution, or if these are not available, drink large quantities of water. Avoid alcohol and call a physician.

NOTE TO PHYSICIAN

Probable mucosal damage may contraindicate the use of gastric lavage. Measures against circulator shock, respiratory depression and convulsion may be needed.
