KILLS LICE AND EGGS ON CONTACT

DIRECTIONS FOR USE

Apply undiluted to entirely wet hair and scalp, or any other infected areas, except eyelashes and eyebrows. Allow treatment to remain no longer than 10 minutes. Then wash thoroughly with warm water and soap or shampoo. Dead lice and eggs may require removal with a fine comb. Do not exceed 2 consecutive applications.

All clothing should be sterilized at time of treatment to eliminate infestation.

USE PRECAUTIONS: This product is for external use only.

WARNING: Should not be used by ragweed sensitized persons.

CAUTION: Harmful if swallowed. Do not inhale. Keep out of eyes and avoid contact with mucous membranes. In case this product should get in the eyes, flush immediately with water. If infestation of eyelashes and eyebrows is present consult a physician. In case of infection or skin irritation consult a physician.

Avoid contamination of feed or foodstuffs.

This product is toxic to fish. Do not contaminate water where fish occur.

Do not transport or store below 32° F.
