Martin DeRise  
Russell Products Co., Inc.  
2253 Light Street  
Bronx, NY 10466

Dear Mr. DeRise:

**Subject: Amendment/Revised Formula and Labeling  
(Deletion of Pentachlorophenol)  
Russell Weed Killer #1  
EPA Registration No. 34892-4  
Your Submission Dated August 12, 1985**

The amendment referred to above, submitted in connection with registration under FIFRA is acceptable provided you:

1. Make the labeling changes listed below before you release the product for shipment bearing the amended labeling:
  - a. Correct the spelling of Bromacil in the ingredient statement.
  - b. Add the subheading Hazards to Humans and Domestic Animals preceding the precautionary statements beginning "Harmful if swallowed . . ." and move the subheading Statement of Practical Treatment, to precede the statements beginning "In case of contact . . . ."
  - c. In the directions for use, delete the phrase ". . . with Endrift . . ." wherever it appears since your revised formulation will not contain this drift control agent.

2. Submit one (1) copy of your final printed labeling before you release the product for shipment.

A stamped copy of labeling is enclosed for your records.

We are also accepting your revised formula statement and have made it a part of the record for this product. Although you have indicated that the revised formula is an alternate formula, it is understood that this formula will supersede previous formulas. We also understand that stocks of product formulated under previously accepted formula statements and labeling will be depleted within six months of the date of this letter.

Sincerely yours,

Richard F. Mountfort *RFM*  
Product Manager (23)  
Fungicide-Herbicide Branch  
Registration Division (TS-767)

**PRECAUTIONARY STATEMENTS**

**ENVIRONMENTAL HAZARDS**

Weed Killer #1 is toxic to fish and wildlife. Birds and other wildlife in treated areas may be killed. Do not apply directly to water. Do not apply where runoff is likely to occur. Do not apply when weather conditions favor drift from areas treated. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label.

**STORAGE AND DISPOSAL**

Store only in tightly closed, original container in a secure area inaccessible to children. Do not contaminate water, food or feed by storage or disposal. Do not store near fertilizers, seeds, insecticides or fungicides.

**PESTICIDE DISPOSAL**

Pesticide wastes are toxic. Improper disposal of excess pesticide spray mixture, or rinsate is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

**CONTAINER DISPOSAL**

Triple Rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities.

**RUSSALL WEED KILLER #1**

**ACCEPTED**  
with comments  
AUG 29 1985  
Approved by the Federal Insecticide, Fungicide, and Plant Disease Reg. No. 34892-4

NET CONTENTS:

**DIRECTIONS**

It is a violation of Federal Law to use this product in a manner inconsistent with labeling. For most weeds and for extended periods, non-cropland areas, industrial plant sites, parking lots, loading docks, around storage tanks, and the like apply 100 gallons per 1000 feet of Weed Killer #1. For the most persistent weeds, emulsions, agitation is required. Weed Killer #1 can be used with standard sprayers. For treatment of areas, a tank sprayer or sprayer may be used.

**NOTE:** Users should consult their State Agricultural Experiment Stations or Service Weed Specialist for recommendations on use of Weed Killer #1 in their particular area. Write to Russall Products Co., Inc.

**IMPORTANT:** Do not apply directly to, or other susceptible plants. This product may injure cotton, beans, peas, flowers, fruit trees,amentals, or other plants. Avoid sprays such susceptible plants. (coarse sprays are likely to drift). Vapors of this product may injure plants in the vicinity. Do not apply to areas underlaid by desirable trees and shrubs. Thoroughly clean equipment with a chemical cleaner before using for other purposes. Do not use same equipment for other purposes.
