Ms. Peggy M. Galloway, Registration Agent
LANDIS INTERNATIONAL, INC.
P. O. Box 5126
Valdosta, GA 31603-5126

Subject: SPRAKIL D-8 GRANULAR WEED KILLER
EPA Reg. No. 34913-4
Your submission dated April 17, 1990

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable. A stamped copy is enclosed for your records.

At the next printing of the label, or within 6 months, please delete the "disposal of wastes" sentence under the Environmental Hazards and replace with "Do not contaminate water when disposing of equipment washwaters."

A statement of practical treatment must appear on the labeling and in the following format:

If swallowed: _____
If inhaled: _____
If in eyes: _____
If on skin: _____

Sincerely yours,

Robert J. Taylor
Product Manager (25)
Fungicide-Herbicide Branch

Registered under FIFRA Reg. No.

STORAGE AND DISPOSAL

STORAGE: To maximize the shelf life of this product, store in dry area where the container is not likely to come in contact with moisture. Do not store near fertilizers, seeds, insecticides or fungicides.

DISPOSAL: Do not contaminate water, food or feed by storage or disposal.

Wastes resulting from this product may be disposed of on site or at an approved waste disposal facility.

(For Plastic Buckets) Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill or incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

(For Bags) Completely empty bag into application equipment. Then dispose of bag in a sanitary landfill or by incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

KEEP OUT OF REACH OF CHILDREN

CAUTION!

STATEMENT OF PRACTICAL TREATMENT

IF IN EYES:

Flush with plenty of water. Get medical attention if irritation persists.

IF ON SKIN:

Wash with plenty of soap and water. Get medical attention if irritation persists.

See right panel for additional precautionary statements.

PRECAUTIONARY STATEMENTS

HAZARD TO HUMANS & DOMESTIC ANIMALS

CAUTION

May cause irritation of eyes, nose, throat and skin. Avoid breathing dust. Avoid contact with skin, eyes or clothing. Wash thoroughly after handling.

ENVIRONMENTAL HAZARD

Do not apply directly to any body of water. Do not contaminate water by cleaning of equipment or disposal of waste.

DIRECTIONS FOR USE

It is a violation of federal laws to use this product in a manner inconsistent with its labeling.

NON-CROP WEED CONTROL - INDUSTRIAL USE ONLY

Sprakil D-8 is a non-selective herbicide for controlling a wide range of annual and perennial weeds and grasses. It is recommended only for noncropland areas such as railroad, utility, and highway right-of ways and industrial areas. 200 to 400 pound applications of Sprakil D-8 per acre usually result in a nonproductive condition of the soil for a period of a year or more. The duration of non-productivity is dependent upon rainfall, soil type and other conditions.

Sprakil D-8 should be applied as furnished with a seed spreader, a fertilizer spreader, or with any equipment which will distribute the chemical uniformly over the area to be treated. For the control of annual and most perennial weeds and grasses, apply Sprakil D-8 at the rate of 200 to 400 pounds per acre; on small plots, 1/2 to 1 pound per 100 square feet. Repeat spot treatment may be required when deep rooted perennial weeds are present. To obtain the best results, Sprakil D-8 should be applied to the ground where it will be absorbed by the roots. Applications made early in the season have been found to give results superior to applications at a later seasonal date. Sprakil D-8 may, however, be applied at any time of the year except when the ground is frozen. Maximum effectiveness in arid regions is obtained when application is made just prior to the rainy season. Users

should consult state agricultural experimental stations or extension service weed specialists for recommendations as to use in their particular area.

IMPORTANT: Do not apply on or near valuable woody or herbaceous plants or on areas where their roots may extend because of possible injury to such plants. Thoroughly clean spreading equipment with a suitable chemical cleaner before using for other purposes (or do not use same spreading equipment for other purposes). Dispose of rinsate according to "Disposal" instructions found under "Storage and Disposal" heading. Do not use on croplands or any land to be used for subsequent cropping. Keep animals off treated areas.

CONDITIONS OF SALE

1. Seller warrants that this product consists of the ingredients specified and is reasonably fit for use as directed on the label. No one other than officer of Seller is authorized to make any warrant, guarantee or direction concerning this product.
2. Because the time, place, rate of application and other conditions of use are beyond Seller's control, Seller's liability from handling, storage and use of this product is limited to replacement of product or refund of purchase price.
