

HI-CIDE 200 is compatible with all chemicals used in pool water and will not damage tile, concrete, metal, or plastics.

HI-CIDE 200 keeps pool water free and sparkling, clear of visible algae, algal slime and green brown colors.

HI-CIDE 200 improves filter operation and cuts down need for other chemicals.

HI-CIDE 200 imparts tone and a pleasant "feel" to swimming pool water.

### DANGER

Keep Out of Reach of Children.

Corrosive. Causes severe eye and skin damage. Do not get in eyes, on skin, or on clothing. Wear goggles or face shield and rubber gloves when handling. Harmful or fatal if swallowed. Avoid contamination of food.

#### FIRST AID:

In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash contaminated clothing before reuse. If swallowed, drink promptly a large quantity of milk, egg whites, gelatin solution; or if these are not available, drink large quantities of water. Avoid alcohol. Call a physician immediately.

**NOTE TO PHYSICIAN:** Probable mucosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock, as well as oxygen and measures to support breathing manually or mechanically may be needed.

## HI-CIDE 200

SWIMMING POOL

# ALGAECIDE

OUTSTANDING ALGAE GROWTH DEPRESSANT

#### ACTIVE INGREDIENT:

Alkyl\* Dimethyl Benzyl Ammonium Chloride  
\*(C<sub>14</sub>, 60%; C<sub>12</sub>, 25%; C<sub>16</sub>, 15%) ..... 10%

INERT INGREDIENTS: ..... 90%  
..... 100%

EPA Reg. No. 35132-3

### DANGER

KEEP OUT OF REACH OF CHILDREN  
SEE LEFT PANEL FOR FIRST AID AND  
ADDITIONAL PRECAUTIONARY STATEMENTS.

NET CONTENTS 1 GALLON

#### DIRECTION

**Initial Application:** To a freshly filled pool or pool free of visible algae, add one quart per 50,000 gallons of water, or ratio thereof. If visible algae are present, use a higher initial dose. Vacuum pool after 24 hours to remove algae and debris. Repeat treatment as necessary. When pool is free of visible algae, use the recommended maintenance dose.

**Maintenance Dose:** Use one quart per 50,000 gallons of water. When weather is hot or bathing load is heavy, use this dosage as necessary.

**Booster Dose:** Immediately after every rain add one quart per 50,000 gallons of water as above.

**Important:** Follow above directions without fail, even when no visible algae growth must be fought at all times.

**Pool-side surfaces:** After cleaning surfaces, use one oz. to five gallons of water for sanitizing or one oz. to two gallons of water for disinfecting, scrubbing, mopping, or wiping so as to thoroughly wet the surfaces.

Do not reuse empty container. Rinse empty container thoroughly before discarding.

This product is toxic to fish. Treated effluent should not be discharged into lakes, streams, ponds or public water.

Apply this product only as specified on this label.

### DIRECTION'

**Initial Application:** To a freshly filled pool or pool free of visible algae add one gallon to 50,000 of water, or ratio thereof. If visible algae are present, treat with initial dose. Vacuum pool after 24 hours to remove algae debris. Repeat this treatment as necessary. When pool is free of visible algae, use the recommended maintenance dose.

**Maintenance Dose:** Use one quart per 50,000 gallons of water every 5 to 7 days. When weather is hot or bathing load is heavy, use this dosage every 5 days or as necessary.

**Booster Dose:** Immediately after every rain add one quart per 50,000 gallons of water as above.

**Important:** Follow above directions without fail, even when pool is not used. Algae growth must be fought at all times.

**Pool-side surfaces:** After cleaning surfaces, use one oz. to four gallons of water for sanitizing or one oz. to two gallons of water for disinfecting. Apply by scrubbing, mopping, or wiping so as to thoroughly wet the surfaces.

Do not reuse empty container. Rinse empty container thoroughly with water before discarding.

This product is toxic to fish. Treated effluent should not be discharged where it will drain into lakes, streams, ponds or public water.

Apply this product only as specified on this label.
