

PRICE FORMULATION -30 is a Heavy-Duty Industrial Strength Cleaner formulated to provide maximum cleaning efficiency as it disinfects. It is especially designed for schools, institutions, and industry. A single application removes dirt and grime, disinfects, and is virucidal. When used as directed, the hard surface disinfecting action of **PRICE FORMULATION -30** will reduce the hazard of cross-infection.

When used as directed, **PRICE FORMULATION -30** will deodorize toilet areas, behind and under sinks and counters, garbage cans and garbage storage areas, and other places where bacterial growth can cause mal odors.

WARNING

Keep out of reach of children. Causes eye and skin irritation.

Avoid contamination of food. Harmful if swallowed. Avoid getting product in the eyes. In case of contact, flush copiously with water and seek medical attention.

Avoid getting product on the skin. In case of contact, flush copiously with water immediately to avoid possible skin irritation.

USE DIRECTIONS

Add three ounces per gallon water. Apply **PRICE FORMULATION -30** to walls, floors, and other hard surfaces such as tables, chairs, and bed frames with a cloth or mop.

At three ounces per gallon use-level, **PRICE FORMULATION -30** is effective against *Staphylococcus aureus*, *Salmonella choleraesuis*, and *Escherichia coli*. Germicidal performance against these organisms has been confirmed by the AOAC Use-Dilution Test.

NOTE: This product is not effective at the above recommended use-level of three ounces per gallon against *Pseudomonas aeruginosa*.

*At three ounces per gallon use-level, **PRICE FORMULATION -30** is virucidal against Herpes Simplex (a member of the virus family that causes infectious mononucleosis), Vaccinia (representative of the pox viruses), and Influenza A₂ (the Hong Kong flu virus), on inanimate environmental surfaces.

At five ounces per gallon use-level, **PRICE FORMULATION -30** is effective against *Trichophyton interdigitale*. Fungicidal performance was determined by using the AOAC Fungicidal Test.

Rinse empty container with water before discarding it.
