

NOTICE OF PESTICIDE: REGISTRATION
 REREGISTRATION(Under the Federal Insecticide, Fungicide,
and Rodenticide Act, as amended)

NAME OF PESTICIDE PRODUCT

Growers Soluble Oil

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

Growers Fertilizer Corporation
 P.O. Box 1407
 312 North Buena Vista Drive
 Lake Alfred, FL 33850

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA section 3(c)(7)(A) provided that you:

1. Submit to all data required for registration/reregistration of your product under FIFRA section 3(c)(7)(A) when the Agency requires all registrants of similar products to submit such data.
2. Address please EPA Registrar at N.E. 3307-11 to your label and you please use product to shipment.
3. Note that the product must be analyzed for stability and degradation at the zero and during a year of storage. The storage should be under those conditions of temperature and humidity and storage containers you will be using in the trade. Results must be submitted no later than 15 months after the date of registration.
4. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.
