DIRECTIONS FOR USE

DISINFECTION - This germicidal detergent is used to disinfect hard surfaces of floors, walls, and fixtures in the institution where the use of germicidal detergent is indicated. It is also used to disinfect linens and clothing.

SANITIZATION - This germicidal detergent is used to sanitize hard surfaces of floors, walls, and fixtures in the institution where the use of germicidal detergent is indicated. It is also used to sanitize linens and clothing.

MISUSE - Do not use on skin or mucous membranes. Do not use on colored fabrics or surfaces that may be damaged by chlorine. Do not use in confined spaces or near open flames.

PRECAUTIONARY STATEMENTS

Avoid contact with eyes. If contact occurs, flush with plenty of water for at least 15 minutes. Seek medical attention if irritation persists.

Avoid contact with skin. If contact occurs, wash with plenty of water.

Do not breathe vapors. If you experience irritation to the respiratory system, leave the area immediately.

Do not ingest. If you ingest, seek medical attention immediately.
