DANGER

KEEP OUT OF REACH OF CHILDREN
(See other precautionary and first aid statements
on other panel.)

DIRECTIONS: Household: For sanitizing and disinfecting floors, walls, and inanimate hard surfaces. For Schools, Homes, Locker Rooms, Garbage Pails, Sink Tops, Corridors, Classrooms, Offices and Shower Stalls. Apply solution with mop or cloth. Sanitize with 1 ounce LION - X to 4 gallons of water. Disinfect with 3 ounces LION - X to 5 gallons of water. Kills Staphylococcus Aureus and Salmonella Choleraesuis. For heavily soiled or contaminated areas, a pre-cleaning step is recommended.

Hospitals: For floors, walls and other hard surfaces. In Nursing Homes Institutions, as well as Sink Tops, Garbage Pails, Telephones and Restrooms, use LION - X at 3 1/2 ounces per 5 gallons of water. Apply with cloth, mop, or sponge. At this level LION - X will be effective upon Pseudomonas Aeruginosa PRD - 10. For heavily soiled or contaminated areas, a precleaning step is recommended.

Food Processing Equipment: For sanitization of previously cleaned food processing equipment and food utensils dilute 1 ounce LION - X per 4 gallons of water to provide 200 ppm of active quaternaries. At this level, No Potable Water Rinse if required.

Dairies: To sanitize dairy equipment such as tanks, lines, pails, and milk cans, first clean and rinse the equipment thoroughly. Then apply sanitizing solution containing 1 ounce LION - X to 4 gallons of water (200 ppm). At this level, No Potable Water Rinse is required. Follow recommendations of local Health Board.

Restaurant and Bar Rinse: Dishes, glassware, silverware, cooking utensils, wash with soap or synthetic detergent; rinse thoroughly, and immerse in a sanitizing solution containing 1 ounce LION - X to 4 gallons of water. No Terminal Potable Water Rinse Required.

Cold Disinfection: For disinfection of previously cleaned surgical instruments, barber tools and dental equipment, simply submerge instruments into solution containing 1 1/2 ounces LION - X per gallon of water for 10 minutes.

NON WARRANTY Manufacturer or Seller makes no warranty express or implied concerning the use of this product other than for the purposes indicated on the label. Manufacturer or Seller is not liable for any injury or damage caused by this product due to misuse, handling or any application not specifically described and recommended on label.

DANGER: Keep out of Reach of Children. Corrosive. Causes severe eye and skin damage. Do not get in eyes, on skin or on clothing. Protect eyes and skin when handling concentrate. Harmful if swallowed. Avoid contamination of food.

FIRST AID: In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash all contaminated clothing before reuse. If swallowed, drink milk, egg whites, gelatine solution, or if these are not available, drink large quantities of water. CALL A PHYSICIAN IMMEDIATELY!

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of the gastric lavage. Measures against circulatory shock, respiratory depression and convulsion may be needed.

This product when used on environmental, inanimate, hard surfaces at 3 1/2 ounces per 5 gallons of water is effective against influenza A2, Herpes Simplex, Adenovirus type 2, and Vaccinia Viruses.

Rinse empty container thoroughly with water and discard.
