Name of Pesticide Product:

Thidiazuron Technical

Name and Address of Registrant (include ZIP Code):

Nufarm Limited  
P.O. Box 13439  
Research Triangle Park, NC 27709

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act. Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is reregistered in accordance with FIFRA section 4(g)(2)(C) provided you:

1. Submit and/or cite all data required for registration review/reregistration of your product when the Agency requires all registrants of similar products to submit data.
2. Make all the following changes to the product label:
  - a. Since this product is in acute toxicity category IV for all routes of exposure, the signal word, First Aid, and the Hazards to Humans and Domestic Animals statements are not required for this product and may be removed.
  - b. Change the Pesticide Disposal statement to read "Wastes resulting from the use of this product **must** be disposed of on site or at an approved waste disposal facility."
  - c. Change the Container Disposal statement from "Then offer fiber drum and liner for recycling, if available." to read "Then offer for recycling if available, or dispose of liner in a sanitary landfill or by incineration if allowed by state and local authorities. Do not burn, unless allowed by state and local ordinances. If drum is contaminated and cannot be reused, dispose of it in the manner required for its liner."
