U.S. ENVIRONMENTAL PROTECTION AGENCY
Office of Pesticide Programs
Registration Division
411 M St., S.W.
Washington, D.C. 20460

EPA Reg. Number:

Date of Issuance:
NOV 8 2001

36029-14

Term of Issuance:
Reregistration

Name of Pesticide Product:

STRYCHNINE ALKALOID NF

NOTICE OF PESTICIDE:
 Registration
 X Reregistration

Under FIFRA, as amended

Name and Address of Registrant (include ZIP Code):

Mr. Brent Hazen, President
Wilco Distributors, Inc.
P.O. Box 291
Lompoc, CA 93438

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

Based upon your submission of October 1, 2001, and your prior responses to the Reregistration Eligibility Decision (RED) document issued for Strychnine, EPA has reregistered the product identified above. This action is taken under the authority of §4(g)(2)(C) of the Federal Insecticide, Fungicide and Rodenticide Act, as amended. Reregistration under this section does not eliminate the need for continual reassessment of pesticides. EPA may require submission of data at any time to maintain the registration of your product.

The label that you submitted on October 1, 2001, is acceptable. Delete the words "DRAFT LABEL" when you print labels for shipment with the product.

Before releasing this product for shipment, submit one copy of the final printed label, incorporating the change indicated above.

If you do not comply with these conditions, the registration will be subject to cancellation in accordance with FIFRA Sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

Signature of Approving Official:

Deborah McCall, Acting Chief
Insecticide-Rodenticide Branch
Registration Division (7505C)

Date:

NOV 8 2001

A stamped copy of the label that we have "ACCEPTED with COMMENTS" is enclosed for your records.

If you have any questions about this letter, you may call Dr. William W. Jacobs of my staff at 703-305-6406.

Sincerely yours,

Deborah McCall
Acting Chief
Insecticide-Rodenticide Branch
Registration Division (7505C)

Enclosure

For formulating Vertebrate Pesticides only. Formulators who use this product are responsible for providing data to support their registrations.

KEEP OUT OF REACH OF CHILDREN

DANGER

POISON

FIRST AID

IF SWALLOWED: CALL A PHYSICIAN OR POISON CONTROL CENTER IMMEDIATELY. If less than ten (10) minutes have passed since the poison was taken, give 1 or 2 glasses of water and induce vomiting by touching the back of the throat with finger. Repeat until vomit fluid is clear. Have victim lie down in quiet, darkened room and keep person warm and quiet. If person is unconscious, do not give anything by mouth and do not induce vomiting.

IF INHALED: Remove victim to fresh air. If not breathing, give artificial respiration, preferably mouth-to-mouth. Get medical attention.

IF IN EYES: Hold eyelids open and flush with steady, gentle stream of water for 15 minutes. Get medical attention.

IF ON SKIN: Wash with plenty of soap and water. Get medical attention.

NOTE TO PHYSICIAN

A. Administer 100% OXYGEN by positive pressure to provide as much pulmonary gas exchange as possible, despite seizures.

B. Administer ANTICONVULSANT DRUGS intravenously to control convulsions.

NOTICE: It may be difficult or impossible to stop the seizure activity without stopping respiration. Be prepared to maintain pulmonary ventilation mechanically. Tracheotomy may be necessary if seizures are prolonged.

See side panel for additional precautionary statements.

For information on this pesticide product (including health concern, medical emergencies, or pesticide incidents), call the National Pesticide Telecommunications Network at 1-800-858-7378.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS DANGER

Convulsive Poison! Fatal if swallowed or inhaled. Causes irreversible eye damage. Harmful if absorbed through skin. Do not get in eyes or on clothing. Avoid contact with skin. Do not breathe dust. Wear goggles or face shield. For handling activities, use dust/mist filtering respirator (MSHA/NIOSH approval number prefix TC-21C), or a NIOSH approved respirator with any N, P, R, or HE filter. Wash hands before eating, drinking, chewing gum, using tobacco, or using the toilet. Remove contaminated clothing and wash clothing before reuse.

ENVIRONMENTAL HAZARDS

This product is toxic to fish, birds, and other wildlife. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product into local sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional office of the EPA.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. This product may be used only to formulate end-use rodenticide concentrates or ready-to-use baits which are limited by labeling to below ground applications. Formulators who use this product are responsible for providing data to support their registrations. End-use products formulated from this technical product may not be registered for uses that might contaminate human foods, animal feeds, meat, milk, poultry, or eggs.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

PESTICIDE STORAGE: Store only in original containers, in a dry place inaccessible to children, pets, and domestic animals, under lock and key in a posted storage area.

PESTICIDE DISPOSAL: Pesticide wastes are acutely hazardous. Improper disposal of excess pesticides, spilled product, or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous waste representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL:

METAL CONTAINER - Triple rinse (or equivalent). Then, offer for recycling or reconditioning; or puncture and dispose of in a sanitary landfill or by other procedures approved by State and local authorities.

PLASTIC CONTAINER - Follow procedures prescribed for metal container; or, if allowed by State and local authorities, dispose of container by burning. If container is burned, stay out of smoke.

NOTICE: Seller makes no warranty, expressed or implied, concerning the use of this product, other than indicated on the label. Buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions.
