BACK PANEL - Wonder Fluff

WONDER FLUFF**DRAFT****Kills
Fleas, Lice and Ticks****DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

FIVE EASY STEPS

1. Wet animal thoroughly
2. Apply generous amount of WONDER FLUFF to the coat, massaging the lather well into the coat and skin until the entire animal is covered with lather. Pay particular attention to matted and tangled areas by applying a little extra lather and work it in well.
3. Allow lather to remain on animals for 10 minutes to permit insecticide to take full effect.
4. Rinse animal thoroughly.
5. Dry dog. You may start brushing and combing when the dog is semi-dry but best results are obtained when the coat is thoroughly dried.

STORAGE: Store in original container in a cool, dry place (preferably locked) inaccessible to children and pets and away from heat or open flame. **DISPOSAL:** Do not reuse empty container. Wrap container securely in several layers of newspaper and discard in trash.

PRECAUTIONARY STATEMENTS**Hazards to Humans & Domestic Animals**

CAUTION: Harmful if swallowed. Avoid contact with eyes. Avoid contact with animals' eyes and mouth.

Statement of Practical Treatment

If Swallowed: Drink one or two glasses of water and induce vomiting by touching back of throat with finger. Contact a physician or poison control center immediately. **If In Eyes:** Immediately flush with plenty of water. Contact a physician if irritation persists.
