Wonder Fluff®
Shampoo

Kills Fleas, Ticks and Lice

DIRECTIONS FOR USE

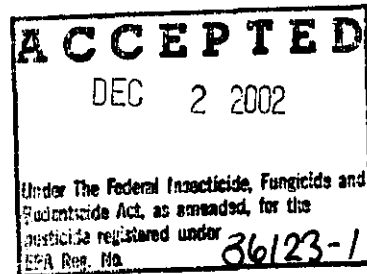

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

1. Do not reapply product for 7 days.
2. Do not use on puppies under 16 weeks of age.
3. Consult a veterinarian before using this product on debilitated, aged, medicated, pregnant or nursing animals **or animals on medication**.

Five Easy Steps

1. Thoroughly wet animal **thoroughly**.
2. Apply a generous amount of **Wonder Fluff®** to the coat, massaging the lather well into the coat and skin until the entire animal is covered with lather. Pay particular attention to matted and tangled areas by applying a little extra lather and working it in well.
3. Allow lather to remain on animal for 10 minutes to permit insecticides to take full effect.
4. Thoroughly rinse animal **thoroughly**.
5. Dry animal. You may start by brushing and combing when the animal is semi-dry, however **but** best results are obtained when the coat is completely dry **thoroughly dried**.

Storage: Store in original container in a cool, dry place (preferably locked) place inaccessible to children and pets away from heat or open flame. **Disposal: If empty:** Do not reuse this empty container. Place Wrap container securely in several layers of newspaper and discard in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency [or 1-800-CLEANUP] for disposal instructions. Never place unused product down any indoor or outdoor drain.

PRECAUTIONARY STATEMENTS
Hazards to Humans & Domestic Animals
CAUTION

Humans: Harmful if swallowed. Avoid contact with eyes. **Animals:** Avoid contact with the animal's eyes and mouth. Sensitivities may occur after using ANY pesticide product for pets. If signs of sensitivity occur, bathe your pet with mild soap and rinse with large amounts of water. If signs continue, immediately consult a veterinarian **immediately**.

First Aid

If Swallowed	<ul style="list-style-type: none"> • <u>Immediately call a poison control center or doctor for treatment advice.</u> • <u>Have person sip a glass of water if able to swallow.</u> • <u>Do not induce vomiting unless told to do so by a poison control center or doctor.</u> • <u>Do not give anything by mouth to an unconscious person.</u>
If in Eyes	<ul style="list-style-type: none"> • <u>Hold eye open and rinse slowly and gently with water for 15-20 minutes.</u> • <u>Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.</u> • <u>Call a poison control center or doctor for treatment advice.</u>
<p><u>Have the product container or label with you when calling a poison control center or doctor or going for treatment. [You may also contact 1-800-223-7768 to obtain emergency medical treatment information.]</u></p>	

{Note: the first aid statements' grid format will be used if market label space permits; otherwise a paragraph format will be used.}

If Swallowed: Drink one or two glasses of water and induce vomiting by touching back of throat with finger. Contact a physician or poison control center immediately. **If in Eyes:** Immediately flush with plenty of water. Contact a physician if irritation persists.

Call 1-800-223-7768 to obtain information about this product's proper use and actions to take in case of an emergency.
