### DIRECTIONS FOR USE

Directions for roaches, household ants, waterbugs, and silverfish: Thoroughly dust the powder liberally into all cracks and crevices in the room suspected of harboring the pests. Special attention should be paid to cracks and hidden surfaces around sinks or food storage areas where these insects may be hiding.

Thorough treatment around doors and windows is desirable for use against ants.

For silverfish dust behind baseboards, around window and door frames, behind book cases and in storage areas.

Repeat applications as necessary to accomplish control.

Care should be taken that any powder visible after application is completed should be carefully brushed into cracks or crevices or else be removed.

### SPECIAL PRECAUTIONS

Do not use in the edible product areas of food processing plants, restaurants, or other areas where food is commercially prepared or processed. Do not use in serving areas while food is exposed.

Special care should be taken that food and food utensils will not be contaminated. If any powder should contaminate cooking utensils, silverware or dishes, they should be thoroughly cleaned.

The use of this product is restricted to areas which are inaccessible to children and pets.

**DO NOT REUSE EMPTY CONTAINER. DESTROY IT  
BY BURYING WITH WASTE OR BY BURNING.  
STAY AWAY FROM SMOKE OR FUMES.**
