

U.S. ENVIRONMENTAL PROTECTION AGENCY
Office of Pesticide Programs
Registration Division (H7505C)
401 "M" St., S.W.
Washington, D.C. 20460

EPA Reg. Number:

36232-7

Date of Issuance:

APR 1 1998

NOTICE OF PESTICIDE:

- Registration
- Reregistration

(under FIFRA, as amended)

Term of Issuance:

Conditional

Name of Pesticide Product:

X-14 Mildew Stain Remover

Name and Address of Registrant (include ZIP Code):

Block Drug Company, Inc.
257 Cornelison Avenue
Jersey City, N.J. 07302

Note: Changes in Labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/ reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.

2. Make the following label changes:

- a. Revise the EPA Registration Number to read, "EPA Reg. No. 36232-7".
- b. Place the phrase "Net Contents" on the front panel.
- c. In the Statement of Practical Treatment, revise:
 - "Eyes" to read: "If In Eyes".
 - "Swallowed" to read: "If Swallowed".
 - "Breathing Is Affected" to read: "If Inhaled".
 - "Skin" to read: "If On Skin".

Signature of Approving Official:

Robert S. Brennis, PM 32

Date:

- 2/5
- d. On the front panel, revise "kills germs" to read "kills most germs" or "kills many germs". Delete the phrase kills germs.
 - e. Revise "kills germs and mildew" to read "kills many germs and mildew" or "kills most germs and mildew".
 - f. On the front panel, after kills athlete's foot fungus, add "on environmental surfaces".
 - g. Since the data were developed in the absence of soil, the directions for use instructions must be expanded to indicate "Thoroughly cleaning of surfaces prior to application of the product". This comment is applicable for the back panel under the directions for use. For guidance, refer to item #3 of DIS/TSS-15 enclosure.
 - h. On the front, the listed viruses should be expanded to reflect a usage on hard, nonporous, inanimate surfaces.
 - i. Revise "Disinfects as it kills mildew" to read "Disinfect against odor-causing germs as it kills mildew".
 - j. On the front panel, revise "Kills mildew" to read "Controls mildew".

3. Submit two copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Sincerely,

Robert S. Brennis
Product Manager 32
Regulatory Management Branch II
Antimicrobials Division (7504C)

with COMMENTS
in EPA Letter Dated:

APR 1 1986

Under the Federal Insecticide
Fungicide, and Rodenticide Act as
amended, or the pesticide
registered under EPA Reg. No

36232-7

BACK PANEL

X-14 Mildew Stain Remover

AVOID PROLONGED BREATHING OF VAPORS

Use in well ventilated areas. Open windows and doors and turn on fans before use. If the vapors bother you, leave the room while X-14 Mildew Stain Remover is working. For sensitive skin or prolonged use, wear gloves.

FOR USE IN: Homes, around the home, schools, hotels and motels, nursing homes, hospitals, restaurants and food service, office buildings, factories, bottling plants.

WHERE TO USE: Bathroom tiles, grout, fiberglass or vinyl showers, vinyl bath mats or shower curtains, vinyl awnings, vinyl auto and boat tops, garbage cans, diaper pails and preparing surfaces for painting. Avoid prolonged contact with metal or old porcelain as X-14 can react with these materials and leave a "rusty" stain. Do not use X-14 on painted surfaces you do not intend to repaint. Do not use on natural marble. When using on vinyl, do not allow X-14 to contact cotton stitching or backing. Do not allow X-14 to come in contact with clothing, carpeting or other fabrics which may become discolored or damaged.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

For sensitive skin or prolonged use, wear gloves. Turn nozzle to desired position. Direct sprayer away from face and eyes. **TO REMOVE MILDEW STAINS:** Spray, wait until stains disappear and rinse. Heavy mildew buildup may need two cleanings. This product may not be able to remove mildew imbedded in hard water deposits, old grout or silicone caulking. **TO DISINFECT AND KILL MILDEW ON HARD NON-POROUS SURFACES:** Spray surface such as tile until thoroughly wet. Let stand five minutes and wipe. For heavy soil, pre-cleaning is required. This product kills staph and athlete's foot fungus. **FOR SOAP SCUM PROBLEMS:** Use X-14 Soap Scum Remover.

STORAGE AND DISPOSAL

Reclose sprayer tip for storage. Rinse thoroughly before discarding in trash.

PRECAUTIONARY STATEMENTS:

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

WARNING: CAUSES EYE IRRITATION. Do not get in eyes or on clothing. Prolonged breathing of vapors may be irritating. Use only in well ventilated areas. Avoid prolonged contact with skin. Harmful if swallowed. Not recommended for use by persons with heart conditions or chronic respiratory problems. If vapors bother you, leave the room while X-14 is working.

STATEMENT OF PRACTICAL TREATMENT

EYES: Flush immediately with water. Remove contact lenses and continue flushing with water for 15 minutes. If irritation occurs, call poison control center or physician. **SWALLOWED:** Drink several glasses of water and call poison control center or physician immediately. **IF**

X-14 Mildew Stain Remover

BREATHING IS AFFECTED: Get to fresh air immediately. SKIN: Flush thoroughly with water.

PHYSICAL OR CHEMICAL HAZARDS

Contains bleach (sodium hypochlorite). Do not mix or use with any other household cleaning products including acids or ammonia, toilet bowl cleaners or rust removers as toxic fumes may result. If you use other X-14 products, do not mix with this product or spray both on surfaces at the same time. Rinse surfaces thoroughly between applications of different X-14 products.

X-14 Mildew Stain Remover contains no phosphates. This bottle is made of 25% post-consumer recycled plastic.
