## PRECAUTIONARY STATEMENTS

### Hazards to Humans and Domestic Animals

**CAUTION:** Harmful if swallowed. Avoid breathing vapors or contact with eyes or skin. Wash hands with soap and water after using. Ventilate premises after treatment and ventilate before reoccupying. Avoid contamination of feed and food-stuffs. Keep children and pets away from treated areas until well ventilated and surfaces have dried. Remove cats, birds, and cover fish aquariums before spraying. Do not spray directly into humans, pets, food, asphalt tile and plastic tile.

When using this product as a space spray in food processing plants, foods should be removed or covered during treatment. All food processing surfaces should be covered during treatment or thoroughly cleaned before using. Apply this product only when the facility is not in operation.

### Physical or Chemical Hazards

**FLAMMABLE!** Contents under pressure. Keep away from heat, sparks and open flame. Do not puncture or incinerate container. Exposure to temperatures above 130 °F may cause bursting.

### Storage and Disposal

Disposal: Wrap container and put in trash collection.

### Directions for Use

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

To operate: Hold container upright with nozzle away from you. Press down valve and spray as directed. To avoid possible staining of fabrics or surfaces do not spray at close range.

**FLIES, MOSQUITOES, GNATS, WASPS, SMALL FLYING MOTHS.** Close all doors and windows and spray room at the rate of 1 second per 1000 cubic feet. Direct spray to all parts of the room especially windows and other light sources which attract these insects. Keep nozzle in constant motion. Keep room closed for 10 to 15 minutes after treatment. Do not remain in treated areas. Sweep up and destroy the fallen insects. Repeat treatment as necessary.  
**ROACHES, WATERBUGS, ANTS, SILVERFISH, CRICKETS, SPIDERS, CENTIPEDES, SOW BUGS.** Spray into hiding places such as cracks and crevices, hidden surfaces under sinks, pipe holes, behind stoves, behind and underneath refrigerators, in table legs, along baseboards and floors, and into drains hitting insects with the spray whenever possible. For ants, spray ant trails, nests, and points of entry. Repeat treatment as necessary.

**CONFUSED FLOUR BEETLES, SAW-TOOTHED GRAIN BEETLES, GRANARY WEEVILS, RICE WEEVILS, RED FLOUR BEETLES, GRAIN MITES.** Spray into cracks and crevices, processing and handling equipment, around cartons or containers, and other areas where these insects tend to congregate. Inspect and dispose of infested products. Spray 30 seconds for each 100 square feet of surface. Keep areas closed for 45 minutes to 1 hour after treatment. Repeat application as necessary.

**FLEAS.** Spray sleeping quarters, bedding, floor and floor covering where pets are kept. **DO NOT TREAT HOUSEHOLD PETS WITH THIS PRODUCT.** Repeat as necessary.

**BEDBUGS.** Spray mattresses, particularly around tufts and seams. Take beds apart and spray into all joints. Treat baseboards, moldings and floors. Repeat treatment as necessary.
