Conditional

Name of Pesticide Product:  
Crude Pyrethrum  
Extract

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Office du Pyrethre au Rwanda  
Boite Postale 79  
Ruhengeri, Rwanda, Africa

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/ reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.

2. Make the following label changes:

- a. Revise the EPA Registration Number to read, "EPA Reg. No.36426-3 ".
- b. In the ingredient statement, remove the sliding scale percentages and replace with the nominal declaration of percentage by weight for Pyrethrums.
- c. Expand - For Manufacturing Use Only - to read - For Manufacturing Insecticides Only.
- d. Submit a copy of the Technical Information referred to on the label for the record.

Signature of Approving Official:

Date: 01 JUL 1992

29 3

e. Revise the ENVIRONMENTAL HAZARD statement to read - This pesticide is toxic to fish. Do not discharge effluent containing the pesticide into lakes, streams, ponds, estuaries, oceans or public water unless this pesticide is specifically identified and addressed in a NPDES permit. Do not discharge effluent containing this pesticide to sewer systems without previously notifying the sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of EPA.

3. Submit two copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Sincerely,

Richard F. Mountfort  
Product Manager 10  
Insecticide & Rodenticide Branch  
Registration Division (H-7505 C)
