

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS & DOMESTIC ANIMALS
CAUTION**

Harmful if swallowed. Avoid contact with skin and eyes. Avoid inhalation of spray mist. Avoid contamination of feed and foodstuffs.

When using this product as a space spray in food processing plants, foods should be removed or covered during treatment. All food processing surfaces should be covered during treatment or thoroughly cleaned before using. When using this product in these areas, apply only when the facility is not in operation.

Do not remain in treated areas and ventilate the area after treatment is completed.

Remove pets, birds and cover fish aquariums before spraying.

PHYSICAL OR CHEMICAL HAZARDS

Flammable! Contents under pressure. Keep away from heat, sparks and open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

STORAGE AND DISPOSAL

DISPOSAL: Do not reuse empty container. Wrap container and put in trash collection.

Remove protective cap. Aim spray opening away from person. Push button to spray.

For house flies, mosquitoes, small flying moths (millers), and gnats: Close all doors and windows. Point nozzle upward, direct the spray mist to all parts of the room, especially windows and other light sources which attract these insects. Fill the room with mist, then leave the treated areas. Keep the room closed for at least 15 minutes. Ventilate the room when treatment is completed.

Roaches, Waterbugs, Sowbugs, Spiders and Centipedes: Spray thoroughly into hiding places such as cracks, crevices, moist areas, openings around pipes and sinks, under refrigerators, baseboards and storage areas. Spray directly on insects where possible. Repeat as necessary.

Ants: Spray trails, nests and points of entry. Spray on ants where possible. Repeat as necessary.

Outdoors — Kills sucking insects: Aphids, Mites, Lace Bugs, Leaf Hoppers.

Kills chewing insects: Japanese Beetles, Mexican Bean Beetles, Army Worms.

Spray garden plants only when there is no wind. Spray lightly with sweeping motion 2 feet away from foliage and blossoms. Spray can be used on Roses, Dahlias, Chrysanthemums, Geraniums, Asters, Evergreens and other ornamentals.

Buyer assumes all risks of use, storage or handling of this material not in strict accordance with directions given herewith.
