

ANT-e ROACH

Controls roaches, ants and silverfish. Orcon Ant-e-Roach will control roach populations within one week. Because it is non-volatile it will remain effective for extended periods of time.

**READ ENTIRE LABEL BEFORE USING
USE ONLY AS DIRECTED**

DIRECTIONS FOR USE:

HOME USE: Open spout of squeeze bottle and blow dust into building voids, soffits, under and behind refrigerators and stoves, under tubs, into openings around drains, water pipes and electrical conduits. Remove lower cabinet bottom drawers and dust onto sub-flooring. Also treat intersections and corners of shelves in cabinets, cupboards, pantries and closets. Apply only in areas inaccessible to children and pets. Any powder visible after application should be brushed into cracks and crevices or removed.

This product is toxic to fish. Keep out of lakes, streams, or ponds. Do not contaminate water by cleaning of equipment, or disposal of wastes. Apply this product only as specified on this label.

Container Disposal: Do not use empty container. Wrap container and put in trash collection.

ORCON makes no warranty, express or implied, including the warranties of merchantability and fitness for any particular purpose, concerning this material, except those which are contained on ORCON's label.
