

	U.S. ENVIRONMENTAL PROTECTION AGENCY Office of Pesticide Programs Registration Division (7505C) Ariel Rios Building 1200 Pennsylvania Ave., NW Washington, D.C. 20460		EPA Reg. Number: 36488-49	Date of Issuance: OCT 25 2006
	NOTICE OF PESTICIDE: <input checked="" type="checkbox"/> Registration <input type="checkbox"/> Reregistration (under FIFRA, as amended)		Term of Issuance: Conditional	
			Name of Pesticide Product: Woodstream Ant and Cockroach Killer	
Name and Address of Registrant (include ZIP Code): Woodstream Corporation 69 N. Locust St. Lititz, PA 17543-0327				
<p>Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.</p> <p>On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act. Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.</p> <p>This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) and (B) provided that you:</p> <ol style="list-style-type: none"> 1. Submit and/or cite all data required for registration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4. 2. Submit the following data: <ol style="list-style-type: none"> a. One year storage stability (830.6317) and corrosion characteristics (830.6320) studies. These studies can be run concurrently. It is recommended that the observation be made at 0, 3, 6, 9, and 12 months period and the results be submitted to the Agency on completion. These studies should be submitted within 12 months from the date of this letter. 3. Submit a revised data matrix with efficacy data citations from the substantially similar product cited in the application for registration. 				
Signature of Approving Official: Rita Kumar			Date: OCT 25 2006	

4. Make the following label changes:
 - a. Add the phrase "EPA Registration Number 36488-49" to the front panel.
 - b. Delete the following statement from page 4, Optional Marketing Claims: "Kills insects fast". This is a heightened efficacy claim, and must be substantiated with data.
 - c. Replace the general term "insects" with specific pests "cockroaches and ants" on page 2.
 - d. Add the following to beginning of the warranty statement titled Notice: "To the extent consistent with applicable law,"
 - e. Submit two copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Sincerely,

Rita Kumar

**PRECAUTIONARY STATEMENTS:
HAZARDS TO HUMANS & DOMESTIC ANIMALS**

CAUTION: Avoid contact with skin or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco.

FIRST AID	
If on skin or clothing:	<ul style="list-style-type: none"> - Take off contaminated clothing. - Rinse skin immediately with plenty of water for 15-20 minutes. - Call a poison control center or doctor for treatment advice.
Have the product container or label with you when calling a poison control center or doctor or going for treatment. You may also contact 1-800-858-7378 for emergency medical treatment advice.	

ENVIRONMENTAL HAZARDS:

This product is toxic to fish. For terrestrial uses, do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of equipment washwaters. Remove or cover fish aquaria in the area being treated.

PHYSICAL OR CHEMICAL HAZARDS:

Do not apply this water-based product in conduits, motor housings, junction and switch boxes, or other electrical equipment due to the possible shock hazards. Do not use on surfaces that may be damaged by water.

DIRECTIONS FOR USE:

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

HOW TO USE:

SHAKE WELL BEFORE EACH USE. Hold container upright and spray insects directly to kill on contact. Treat all areas infested with insects. Spray surfaces until wet, paying special attention to cracks, crevices, areas around drains and pipes, around appliances, along baseboards, and any other locations where insects may be hiding. Contact as many insects as possible as they are driven into the open from hiding places. Repeat treatment as necessary.

When treating for ants, spray ant trails, around doors and window frames and any other locations ants may be entering. Repeat treatment as necessary.

This product is non-staining to most surfaces. Do not use on surfaces that may be damage by water. If unsure, first treat an inconspicuous area and check in a few hours for staining or damage.
