Subject: Notification; Per PR-Notice 98-10  
Bromethalin Mouse Bait Station  
EPA Reg. No. 36488-51  
Date Submitted: August 27, 2010

Proposed Alternate Brand Names: Victor V Fast-Kill Brand Disposable Bait  
Station\*; Victor V Fast-Kill Brand Station\*

Dear Mr. Mongiovi:

The Agency is in receipt of your Application for Pesticide Notification under Pesticide Registration Notice (PRN) 98-10 dated August 27, 2010 for the product referenced above. The Registration Division (RD) has conducted a review of these requests for their applicability under PRN 98-10 and finds that the actions requested fall within the scope of PRN 98-10. The label submitted with the application has been stamped "Notification" and will be placed in our records.

If you have any questions regarding this letter, please contact me at (703) 306-0415 or [davis.kable@epa.gov](mailto:davis.kable@epa.gov).

Sincerely,

A handwritten signature in black ink, appearing to read "Kable Bo Davis", with a long horizontal flourish extending to the right.

Kable Bo Davis  
Entomologist  
Insecticide-Rodenticide Branch  
Registration Division (7505P)

**PRECAUTIONARY STATEMENTS:**

Hazards to Humans and Domestic Animals

**CAUTION:** Harmful if swallowed. Keep away from children, domestic animals and pets. Wash thoroughly with soap and water after handling, and before eating, drinking, chewing gum, or using tobacco.

<b>FIRST AID</b>	
Have label with you when obtaining treatment advice.	
<b>If swallowed:</b>	<ul style="list-style-type: none"><li>- Call a poison control center, doctor or 1-800-858-7378 immediately for treatment advice.</li><li>- Have person sip a glass of water if able to swallow.</li><li>- Do not induce vomiting unless told to do so by the poison control center or doctor.</li><li>- Do not give anything by mouth to an unconscious person.</li></ul>
<b>If on skin or clothing:</b>	<ul style="list-style-type: none"><li>- Take off contaminated clothing.</li><li>- Rinse skin immediately with plenty of water for 15-20 minutes.</li><li>- Call a poison control center or doctor for treatment advice.</li></ul>
<b>TREATMENT FOR PET POISONING</b>	
If an animal eats this bait, call a veterinarian at once.	
<b>NOTE TO PHYSICIAN OR VETERINARIAN</b>	
Contains the nerve poison Bromethalin. This product is not an anticoagulant rodenticide. For humans or animals ingesting bait and/or showing poisoning signs (such as muscle tremors, loss of hind limb use, or seizures for animals), limit absorption by either emesis or gastric lavage. Sublethal symptoms, if present, would be the result of cerebral edema and should be treated accordingly through administration of an osmotic diuretic and corticosteroid.	

**ENVIRONMENTAL HAZARDS:**

This product is toxic to fish, birds and other wildlife. Dogs and scavenging mammals and birds might be poisoned if they feed upon animals that have eaten this bait. Do not apply this product directly to water.

---

**MASTER LABEL – OUTER CONTAINER BACK PANEL (Page 2 of 3)**

**DIRECTIONS FOR USE**

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

**READ THIS LABEL** and follow all use directions and use precautions. Use only for the sites, pests, and application methods described on this label.

**IMPORTANT:** Do not expose children, pets or other nontarget animals to rodenticides. To help prevent accidents:

1. Store product not in use in a location out of reach of children and pets.
2. Dispose of product container, bait station, and used, spoiled, or unconsumed bait as specified on this label.

**USE RESTRICTIONS:**

**DO NOT USE THIS PRODUCT OUTDOORS OR IN AREAS ACCESSIBLE TO CHILDREN, PETS, DOMESTIC ANIMALS, OR NONTARGET WILDLIFE.** This product may only be used to control house mice inside homes, industrial, commercial, agricultural and public buildings. Do not place bait in areas where there is a possibility of contaminating food or surfaces that come in direct contact with food.

**SELECTION OF TREATMENT AREAS:** Determine areas where house mice will most likely find and consume bait. Generally, these areas are along walls, by gnawed openings, in corners and concealed places, between floors and walls, or in locations where house mice or their signs have been seen. Remove as much alternative food as possible.

**APPLICATION DIRECTIONS:**

1. Remove bait station from package.
2. Place bait station on the floor, with flat side down, in areas where signs of house mice have been seen in the types of buildings identified under **USE RESTRICTIONS**.

Use one bait station per placement. If more than one bait station is used, space the stations 8 to 12 feet apart in suitable locations (see **SELECTION OF TREATMENT AREAS**) in infested buildings. After several days, inspect bait stations and replace them if their contents have been consumed or are heavily soiled. If no feeding has occurred after three days, bait stations may be moved to other appropriate locations in the building where there is evidence of feeding.

**MASTER LABEL – OUTER CONTAINER BACK PANEL (Page 3 of 3)**

**Baiting Strategy:** Highest bait consumption is expected to occur on the first day or two after treatment begins. Normally, the volume of bait consumed will be significantly less with bromethalin baits than with anticoagulant baits. Although one night's feeding will usually provide a lethal dose, maintain an uninterrupted supply of bait for at least one week to provide all house mice a chance to feed on the bait. Continue baiting until at least 4 days have passed without signs of new feeding by house mice.

**Follow-Up:** Wearing gloves, collect and properly dispose of all dead animals and leftover bait. To discourage reinfestation, limit sources of rodent food, water and harborage as much as possible. If reinfestation does occur, repeat treatment.

**STORAGE AND DISPOSAL:**

**STORAGE:** Store in original container in a cool, dry place inaccessible to children and pets.

**DISPOSAL:** Nonrefillable container. Do not reuse or refill this container. **If empty:** Place in trash or offer for recycling if available. **If Partly Filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

**Note:** Seller warrants that this product complies with the specifications expressed in this label. To the extent consistent with applicable law, Seller makes no other warranties, and disclaims all other warranties, express or implied, including but not limited to warranties of merchantability and fitness for the intended purpose. To the extent consistent with applicable law, Seller's liability or default, breach or failure under this label shall be limited to the amount of the purchase price. To the extent consistent with applicable law, Seller shall have no liability for consequential damages.
