CHIGG-AWAY
 For External Use Only—Do Not Take Internally

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS

Keep away from eyes or other mucous membranes. Not for prolonged use. If the condition for which this preparation is used persists or if a rash or irritation develops, discontinue use and consult physician. Not to be used on infants younger than two years.

Directions For Use General Classification
 It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

WORKS TWO WAYS

1. Effectively repels chiggers! Apply around feet, ankles, waist and to skin under all areas of tight fitting clothing and around all openings in outer clothing. Re-apply after swimming.
2. Effectively relieves itching and discomfort of all nonpoisonous insect bites, such as chiggers, mosquitoes, ticks, sand fleas and biting flies, and also relieves itching of poison ivy and poison oak. The unique action of Chigg-Away lotion carries prompt relief to the source of irritation. Apply topically and rub in well as needed.

DISPOSAL
 Do not reuse empty container. Wrap container and put in trash collection.
