FOR USE ON ANIMALS OVER 8 WEEKS OF AGE. USE KITTEN-PUPPY MIST ON ANIMALS UNDER 8 WEEKS OF AGE. SHAKE WELL BEFORE USING.

DIRECTIONS FOR USE.

It is a violation of Federal Law to use this product in a manner inconsistent with the labeling.
To operate, hold container upright 2-4 inches from animal's hair. Avoid spraying into face of pets. Point nozzle toward animal and spray a fine mist until animal's coat obtains an even coating of SUPER VETA FLEA & TICK KILLER For Dogs. Use a firm fast stroke to obtain a proper spray mist. Spray until coat of dog is damp. It may be advantageous, especially on long haired dogs, to rub the hand against the lay of the hair, spraying directly into the ruffled hair directly beneath the hand. Repeat treatment as needed, making certain spray wets ticks. Spray solution on hand and rub into the facial areas around eyes. May also be sprayed on a brush and worked into the coat. Where flea infestation is heavy, bathe first in soothing ALOE PET SHAMPOO. Repeat misting daily if needed. Thoroughly spray interior of dog's sleeping quarters. Also spray bedding and replace with fresh bedding if necessary. Where dog is present, spray lightly into air.
