Harmful if Swallowed

EPA EST. NO. 36866 FL 01  
EPA REG. NO. 36866 J  
8 FL. OZ.

**FOR USE ON ANIMALS BETWEEN  
4 & 8 WEEKS OF AGE.**

**DIRECTIONS FOR USE**

**SHAKE WELL BEFORE USING.**

To operate, hold container upright about 2-4 inches from animal's hair. Point nozzle toward animal and spray until coat gets an even covering of KITTEN-PUPPY MIST. Use a firm, fast stroke to get a proper spray mist until coat of animal is damp. It may be advantageous, especially on long haired animals to rub the hand against the lay of the hair, misting into the ruffled hair area directly behind the hand. Repeat treatment daily if necessary.

Thoroughly mist interior of Le-Nel or animal sleeping quarters. Also spray bedding if necessary.

**FOR VETERINARY USE ONLY.**

**WARRANTY STATEMENT**

Our recommendations for use of this product are based upon tests believed to be reliable. The use of this product being beyond the control of the manufacturer, no guarantee, expressed or implied, is made as to the effects of such or the results obtained if not used in accordance with directions or established safe practices. The buyer must assume all responsibility, including injury or damage, resulting from its misuse as such, or in combination with other materials.
