SHAKE WELL BEFORE USING

It is a violation of Federal Law to use this product in a manner inconsistent with its label-
ing.

FELO-MIST: a pleasantly scented deodorant preparation for use on cats over the age of
eight weeks.
DIRECTIONS: Purio spray mist directly onto kitten or cat's coat until product mists
skin where fleas and ticks hide. Concentrate on stomach, insides of legs, around
belly and at back of cat and spraying in a zigzag motion working forward. Spray solution
on hand and rub into head around facial areas. May also be sprayed on a brush and work
into the coat. For long haired cats, rub hand against the lay of the fur so that mist
can penetrate to the skin. If flea infestation is heavy, comb first in soothing ALOE-PET
SHAMPOO.

WARRANTY STATEMENT

Our recommendations for use of this product are based upon tests believed to be
reliable. The use of this product being beyond the control of the manufacturer, no
warranty or implied, is made as to the effects of such of the results obtained if not used
in accordance with directions or established safe practice. The buyer must assume all re-
sponsibility for any injury or damage resulting from its use.
