Harmful If Swallowed

EPA EST NO 36866-FL-01
EPA REG NO 36866-6

NET CONTENTS: 1 GALLON

A PLEASANTLY SCENTED DEODORANT PREPARATION FOR USE ON CATS over the AGE OF 8 WEEKS

DIRECTIONS

SHAKE WELL BEFORE USING. Pump spray mist directly onto kitten or cat's coat until product moistens skin where fleas and ticks hide. Concentrate on stomach, insides of legs, around neck, beginning at back of cat and spraying in a zigzag motion working forward. Spray solution on hand and rub into head around facial areas. May also be sprayed on a brush and worked into the coat. For long haired cats, rub hand against the lay of the fur so that mist can penetrate to the skin. If flea infestation is heavy, bathe first in soothing ALOE-PET SHAMPOO.
