CLEANER-DISINFECTANT-DEODORIZES-FUNGICIDE GERMICIDAL
 For Hospitals and Institutional
 PRECAUTIONARY STATEMENTS HAZARDOUS TO HUMANS AND
 DOMESTIC ANIMALS

WARNING: Keep out of reach of children. Causes eye damage and skin irritation. Do not get in eyes, on skin, or on clothing. Harmful if swallowed. Avoid contamination of food.

STATEMENT OF PRACTICAL TREATMENT: In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash all contaminated clothing before reuse. If swallowed, drink promptly a large quantity of water. Avoid alcohol. Call a physician immediately.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

"This product is not to be used as a terminal sterilant/high-level disinfectant on any surface or instrument that (1) is introduced directly into the human body, either into or in contact with the bloodstream or normally sterile areas of the body, or (2) contacts intact mucous membranes but which does not ordinarily penetrate the blood barrier or otherwise enter normally sterile areas of the body. This product may be used to pre-clean or decontaminate critical or semi-critical medical devices prior to sterilization or high-level disinfection."

Apply MYRA-CYN to walls, floors and other hard surfaces such as tables, chairs and bed frames with a cloth or mop. For heavily soiled areas, a preliminary cleaning may be required.

For Hospitals & Nursing Homes: add two ounces per gallon of water.

At two ounces per gallon use-level, MYRA-CYN is effective against *Pseudomonas aeruginosa*, *Staphylococcus aureus*, *Salmonella choleraesuis*, *Escherichia coli*, and pathogenic fungi. Germicidal performance against the first four organisms has been confirmed by the AOAC Use-Dilution Test. Fungicidal performance was determined against *T. interdigital* by the AOAC Fungicidal Test.

For Schools, Institutional and Industrial Users: Add one ounce per gallon of water.

At one ounce per gallon use-level, MYRA-CYN delivers excellent cleaning and is germicidal. It is effective against *Staphylococcus aureus*, *Salmonella choleraesuis*, *Escherichia coli*, and *Trichophyton mentagrophytes*, the athlete's foot fungus. The same AOAC test used above to confirm suitable performance for hospitals were used.

Cross-Contamination is of major housekeeping concern not only in hospitals, but in schools, institutions, and industry. MYRA-CYN is
