BEST DOCUMENT AVAILABLE

to
domestic animals.

DANGER

Eye and skin damage. Do not get in eyes, on skin, or on clothing. Wear goggles and rubber gloves when handling. Harmful or fatal if swallowed. Do not eat, drink, or use tobacco during or after use. Wash hands thoroughly after use. Do not use near food.

Do not discharge into lakes, streams, ponds or public waters without an NPDES permit. For guidance, contact your Regional Office of the EPA or your local health department.

STORAGE AND DISPOSAL
DO NOT STORE IN WATER, FOOD, OR FEED BY STORAGE OR DISPOSAL. CONTAINERS ARE NOT TO BE REUSED OR REFINISHED. CONTAINERS ARE TO BE DESTROYED OR RECYCLED.

DO NOT BURN. THIS PRODUCT CANNOT BE USED OR CHEMICALLY REPROCESSED IN A LANDFILL APPROVED FOR PESTICIDES OR BURIED IN DOMESTIC WATER SUPPLIES.

DO NOT REUSE (OR REFINISH) AND DISPOSE IN AN INCINERATOR OR LANDFILL UNLESS THE CONTAINERS ARE APPROVED FOR REUSE OR BURY IN A SAFE PLACE.

SEE STATE OR LOCAL DISPOSAL AUTHORITIES FOR APPROVED METHODS SUCH AS LIMITED OPEN BURNING.

Strike Bac LF Pool Algaecide is efficient, economical and stable in use dilution. Strike Bac LF Pool Algaecide is compatible with most chemicals used in pool water and will not damage tile, concrete, metal or plastics. Strike Bac LF Pool Algaecide keeps pool water free and sparkling, clear of visible algae, slime and green brown colors. Strike Bac LF Pool Algaecide imparts tone and a pleasant "feel" to swimming pool water. Effective against green algae (*Ankistrodesmus falcatus*, *Chlorella pyrenoidosa*) and blue-green algae (*Calothrix parietina*, *Nostoc* sp., *Oscillatoria* sp. and *Phormidium* sp.).
NOTE: For maximum effectiveness distribute dosage around pool edges or near pump where it can mix uniformly into the circulating water. Clean pool of debris prior to treatment. DO NOT mix with other chemicals; add directly to pool water. Strike Bac LF Pool Algaecide may be used in all sizes and types of pools and is compatible with most waters and chemicals normally used in swimming pools. Does not require special equipment.

Directions for Use GENERAL CLASSIFICATION

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Initial Application: To a cleaned pool add one gallon to 50,000 gallons of water, or ratio thereof.

Maintenance Dose: Use one quart per 50,000 gallons of water every 5 to 7 days. When weather is hot or bathing load is heavy, repeat this dosage every 5 days or as necessary.

Booster Dose: Immediately after every rain add one quart per 50,000 gallons of water as above.

Important: Follow above directions without fail, even when pool is not used. Algae growth must be fought at all times.

NOTE: ALLOW 1 HOUR BEFORE RENTRY
