Strike Bac Powder Fabric Softener reduces "Static Cling" out of nylons and other synthetic fabrics in commercial laundry operations.

**PRECAUTIONARY
HAZARDS TO HUMANS**

Keep out of Reach of Children. Corrosive. Do not get in eyes, on skin, or on clothing. Wear eye protection and rubber gloves when handling. Avoid contamination of food.

**DIRECTIONS FOR USE
GENERAL CLASSIFICATION**

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Strike Bac Powder Fabric Softener is designed for use in commercial laundry applications. Add 2 ounces Strike Bac Powder Fabric Softener per 100 pounds of dry laundry in the final rinse cycle.

Fabric treated as directed will develop residual bacteriostatic activity and residual self-sanitizing activity against odor-causing Gram positive and Gram negative under conditions of high relative humidity or wet contamination. Strike Bac Powder Fabric Softener inhibits the growth of ammonia producing organisms which act on urine in the diapers to produce ammonia.

Strike Bac Powder Fabric Softener inhibits the growth of Gram positive and Gram negative odor-causing organisms on wet bed linens of incontinent persons.

Strike Bac Powder Fabric Softener softens clothes, thus eliminating chafing, "Static Cling" out of nylons and other synthetics. Improves ironing time. For use in commercial laundry operations.

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

Keep out of Reach of Children. Corrosive. Causes severe eye damage and skin irritation. Do not get in eyes, on skin or on clothing. Wear goggles or face shield and rubber gloves when handling. Harmful or fatal if swallowed. Avoid contamination of food.

FIRST AID:

In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eye, call a physician. Remove and wash contaminated clothing before reuse. If swallowed, drink promptly a large quantity of milk, egg whites, gelatin solution or if these are not available, drink large quantities of water. Avoid alcohol. Call a physician immediately.

NOTE TO PHYSICIAN

Probable mucosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock, respiratory depression and convulsion may be needed.

STORAGE AND DISPOSAL

- DO NOT CONTAMINATE WATER,
FOOD OR FEED BY STORAGE OR DISPOSAL
- OPEN DUMPING IS PROHIBITED
- DO NOT REUSE EMPTY CONTAINER

PESTICIDE DISPOSAL

Pesticide or rinsate that cannot be used or chemically reprocessed should be disposed of in a landfill approved for pesticides or buried in a safe place away from water supplies.

CONTAINER DISPOSAL

Triple rinse (or equivalent) and dispose in an incinerator or landfill approved for pesticide containers, or bury in a safe place.
