### DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.  
Strike Bac 20% Acid Bowl Cleaner is designed to clean, disinfect and deodorize toilet bowls and urinals.  
1. To disinfect toilet bowls, flush toilet. Add 2 ounces Strike Bac 20% Acid Bowl Cleaner directly to the bowl water. Scrub the bowl completely using a scrub brush for 10 minutes and flush.  
2. To disinfect urinals, add 1 ounce Strike Bac 20% Acid Bowl Cleaner to 48 ounces (1 1/2 quarts) of water. Flush urinal. Apply solution with brush or toilet/urinal stand for 10 minutes and flush.  
3. For badly stained toilet bowls just flush, then use a plunger to push water from the bowl over the trap. Press seat and a plunger to remove excess water from bowl. Saturate mop with 1 ounce Strike Bac 20% Acid Bowl Cleaner. Push mop over bowl and apply mop over bowl to scrub bowl completely, making sure to get under the rim. Let stand for 10 minutes then flush. Rinse applicator completely.  
4. For gross dirt or heavy soil, pre-treating steps are required before disinfecting.

### PRECAUTIONARY STATEMENTS

HAZARD TO HUMANS AND DOMESTIC ANIMALS  
DANGER - POISON

Keep Out of the Reach of Children. Corrosive. May be Fatal if swallowed. Do not breathe vapors or fumes. Avoid contact with eyes, nose, mouth and clothing. Wear goggles or face shield and rubber gloves when handling. Avoid contamination of food. Remove and wash contaminated clothing.

### STATEMENT OF PRACTICAL TREATMENT
